

**PREMIUM MANUFACTURER &  
WHOLESALE OF MEN'S JEANS  
HIGH-QUALITY DENIM  
PRODUCTION**

# Who We Are

- Established 2 years ago, Tony French specializes in manufacturing and wholesale of men's jeans.
- We operate through a retail shop while managing outsourced production with top-tier units.
- Our jeans are crafted using high-quality fabrics, modern techniques, and skilled artisans.
- We focus on market trends to ensure our designs stay fashionable and in demand.

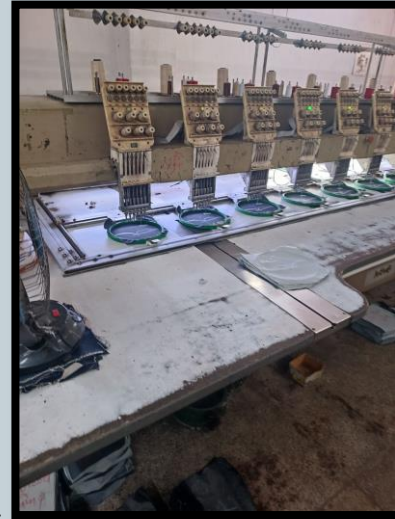

Tony French is premium jeans manufacturing specializing in high- quality denim. We design and produce jeans using top-grated fabrics, advanced technology, and skilled workforce. We cater to all buyer needs and can customize jeans as per requirements. Pricing depends on fabric cost; for example, if the fabric is ₹250/meter, then a finished jeans costs around ₹430 including washing, dyeing, buttons, rivets.

# Manufacturing Process

- Fabric sourcing from trusted suppliers.
- Cutting: Based on market trends and latest designs.
- Stitching: Done in specialized units ensuring durability.
- Embroidery & Buttoning: Precision work for premium finishing.
- Dyeing & Washing: Eco-friendly techniques for high-quality output.
- Packing: Secure and professional packaging for delivery.

# Production Capacity & Infrastructure

- Monthly Production Capacity: 50,000+ jeans.
- Advanced infrastructure with specialized units for each process.
- Quality control at every stage to ensure premium denim products.
- Scalable operations to handle bulk and custom orders.

# Our Market & Clients

- We cater to the domestic market across India.
