BEKA TEX

## OUR OWN BRAND

We have a brand called “GHETTO OFF LIMITS”, which we synthesize comfort with fashion

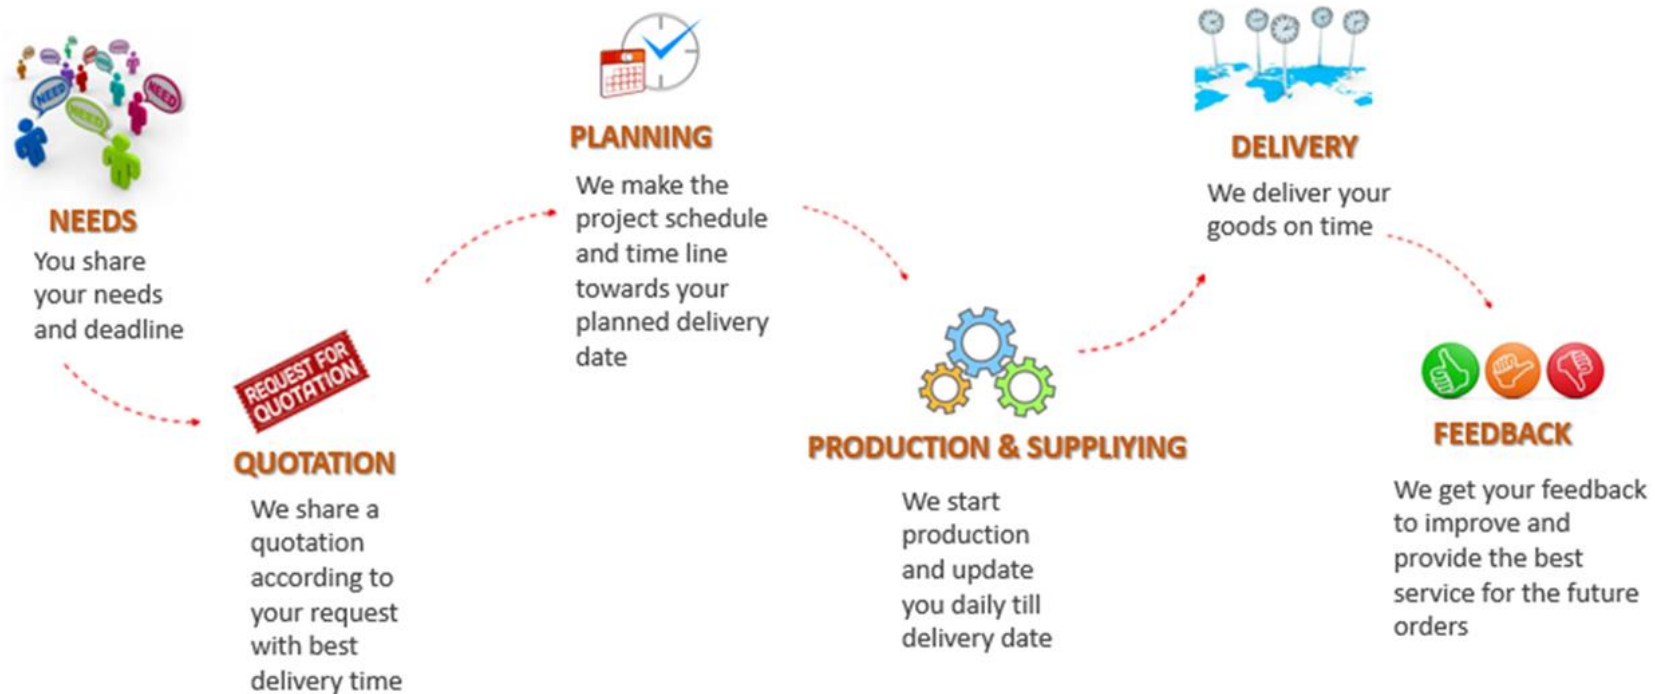

[www.ghettoofflimits.com](http://www.ghettoofflimits.com)

Bekatex updates its global resources and supply operations in parallel with the ever-changing requirements of the market. We anticipate our customers' needs, developing and delivering in-demand products and solutions

With the principle of customer-oriented fast production, we aim to produce the product correctly at the first time in accordance with the demands and standards of customers. Maximum efficiency is targeted before and after production, and the quality of service offered to customers is constantly increased

We continuously perform quality control at each stage of production. We plan extensively in order to make sure that our processes are efficient and meet the objectives

Head Office is in Istanbul and consist of our showroom, corporate offices, a small production facility and sampling room

Design, marketing and product development activities are carried out with a team of 10 people

Registered to Istanbul Chamber of Commerce (ITO)

Registered to Istanbul Ready Wear and Apparel Exporters' Association
