1. Welcome note (Introduction)

Hello everyone,

I am Mr. Mohlomi Ntabe, the founder of Spray Bar Company. I have dedicated nearly fifteen (15) years of my life in the field of automobile repairs and related services. My wide experience goes as far as repairing and servicing Motorcycles, different makes of Cars, Tractors, Trucks, Forklifts, Industrial Power Generators and many more.

From the CEO's desk

2. Our Scope

We overall, repair and maintain vehicles of all makes. If you have a fleet of vehicles running for your business, increasing the life span and maintaining the good performance of those vehicles in a cost-effective way to ensure smooth running of your business, it could be very challenging. However, by signing our services, achieving those objectives is just a piece of cake.

We are specialists in the following:

- Panel Beating and Spray Painting,
- Auto Electric,
- Auto Mechanics,
- Generator Repairs & Servicing,
- Electrical Control Panels,
- Solar & hybrid systems,
- Ups power factor correction,
- Earthing & lightning protection,
- Electrical motors transformers & substations,
- lv & hv electrical reticulation,
- Carbon Raps and paint Protection,
- Borehole pumps reduction gearboxes, and
- Automotives services & roadside assistance

3. Our Mission and Vision Statements

Mission: To provide the best value to customers, grow a profitable business, develop and reward people with the best service in town.

Vision: Be the national leader in customer value.
