FROM SEEDS TO YOUR TABLE

Our long term contracted farmers grow our golden peppers with great care in natural conditions. Whole grown process is in our control in every step.

SERVICE QUALITY

All production steps are being held with high quality of service standarts. Our team is expert in operations, logistics and customer relationship management.

OUR SERVICE

HEALTHY PRODUCTION POLICY

Our factory is renewed for the compliance of BRC & IFS quality certifications. Our priority is to produce the best quality products in hygienic conditions

R&D PROJECTS

We build new machines and production lines by our own with the help of our design and engineering team. R&D and P&D projects are one of our key strengths
