Cartridge carry 7 years warranty

Visionary and innovative

PIXESS products are designed to last a life time - investment pieces, conceived to deliver the perfect balance of quality, technology and design. High-quality materials and the latest manufacturing process are combined with industry-leading technologies to ensure years of reliable performance.

PIXESS faucets deliver

incredible performance - inside and out - guaranteed. Combining premium materials with design innovations and rigorous testing, we ensure that our faucets are built to last. Our entire faucets team - from engineering to manufacturing - works with the common goal of producing quality faucets you can depend on for years to come.

Saving Without Sacrificing

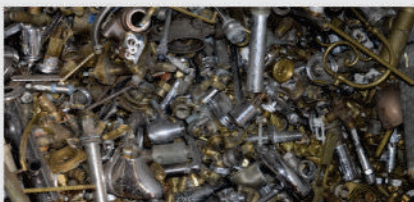

Provision of water and energy saving functions is crucial to enable reduced usages of resources bt consumers. We have focused on to drive you maximum enjoyment from our faucets, showers and accessories, while reducing your consumption of natural resources.

Enjoy Design

Design is a fundamental pillar of the PIXESS brand. We subscribe to a straightforward and customer-centric design philosophy, grounded in the belief that good design must transcend from and function to create an emotional bond with its users.
