

Background Polo

Established in the year 1986, we "Polo Furniture's" is a business entity engaged in manufacturing, supplying and exporting a comprehensive assortment of Residential & Corporate Furniture. All our products are developed in strict accordance with the international quality standards, using premium quality raw material and advent tools & technology. Owing to this, the products are widely demanded all over the country.

We are supported by a team of dexterous professionals, which helps us in catering to the diversified requirements of the clients in an effective manner. These professionals make sure to deliver a qualitative range of products at the clients' end. To attain this, our team members frequently communicate with the clients to know about their specific requirements and serve them accordingly.

Moreover, to attain the utmost satisfaction and give worth to the clients' money, we make sure that the products are delivered with in the stipulated time-frame. For this, we have come up with a spacious warehouse close to our manufacturing unit and well-connected with the major means of transportation. Owing to these factors, we have been able to garner a large number of patrons all over the country.

Under the visionary guidance of our mentors, 'Mr. Davinder Baweja (CEO)', we have been able to attain a strong foothold of success in the industry. Their thorough knowledge, rich experience and constant motivation have enabled us to gain the confidence of numerous patrons throughout the nation. Interior design is a multi-faceted profession in which creative and technical solutions are applied.
