

Treading & Resources Profile

About Us

We are dedicated to the production and export of tropical fruits (Dried- Frozen- Fresh) Our plant is to be located in LUWERO district IN UGANDA, it's the origin of the tropical fruits Like (Mango-Banana -Papaya -Passion Fruit - Jackfruit) .

Our mission and vision

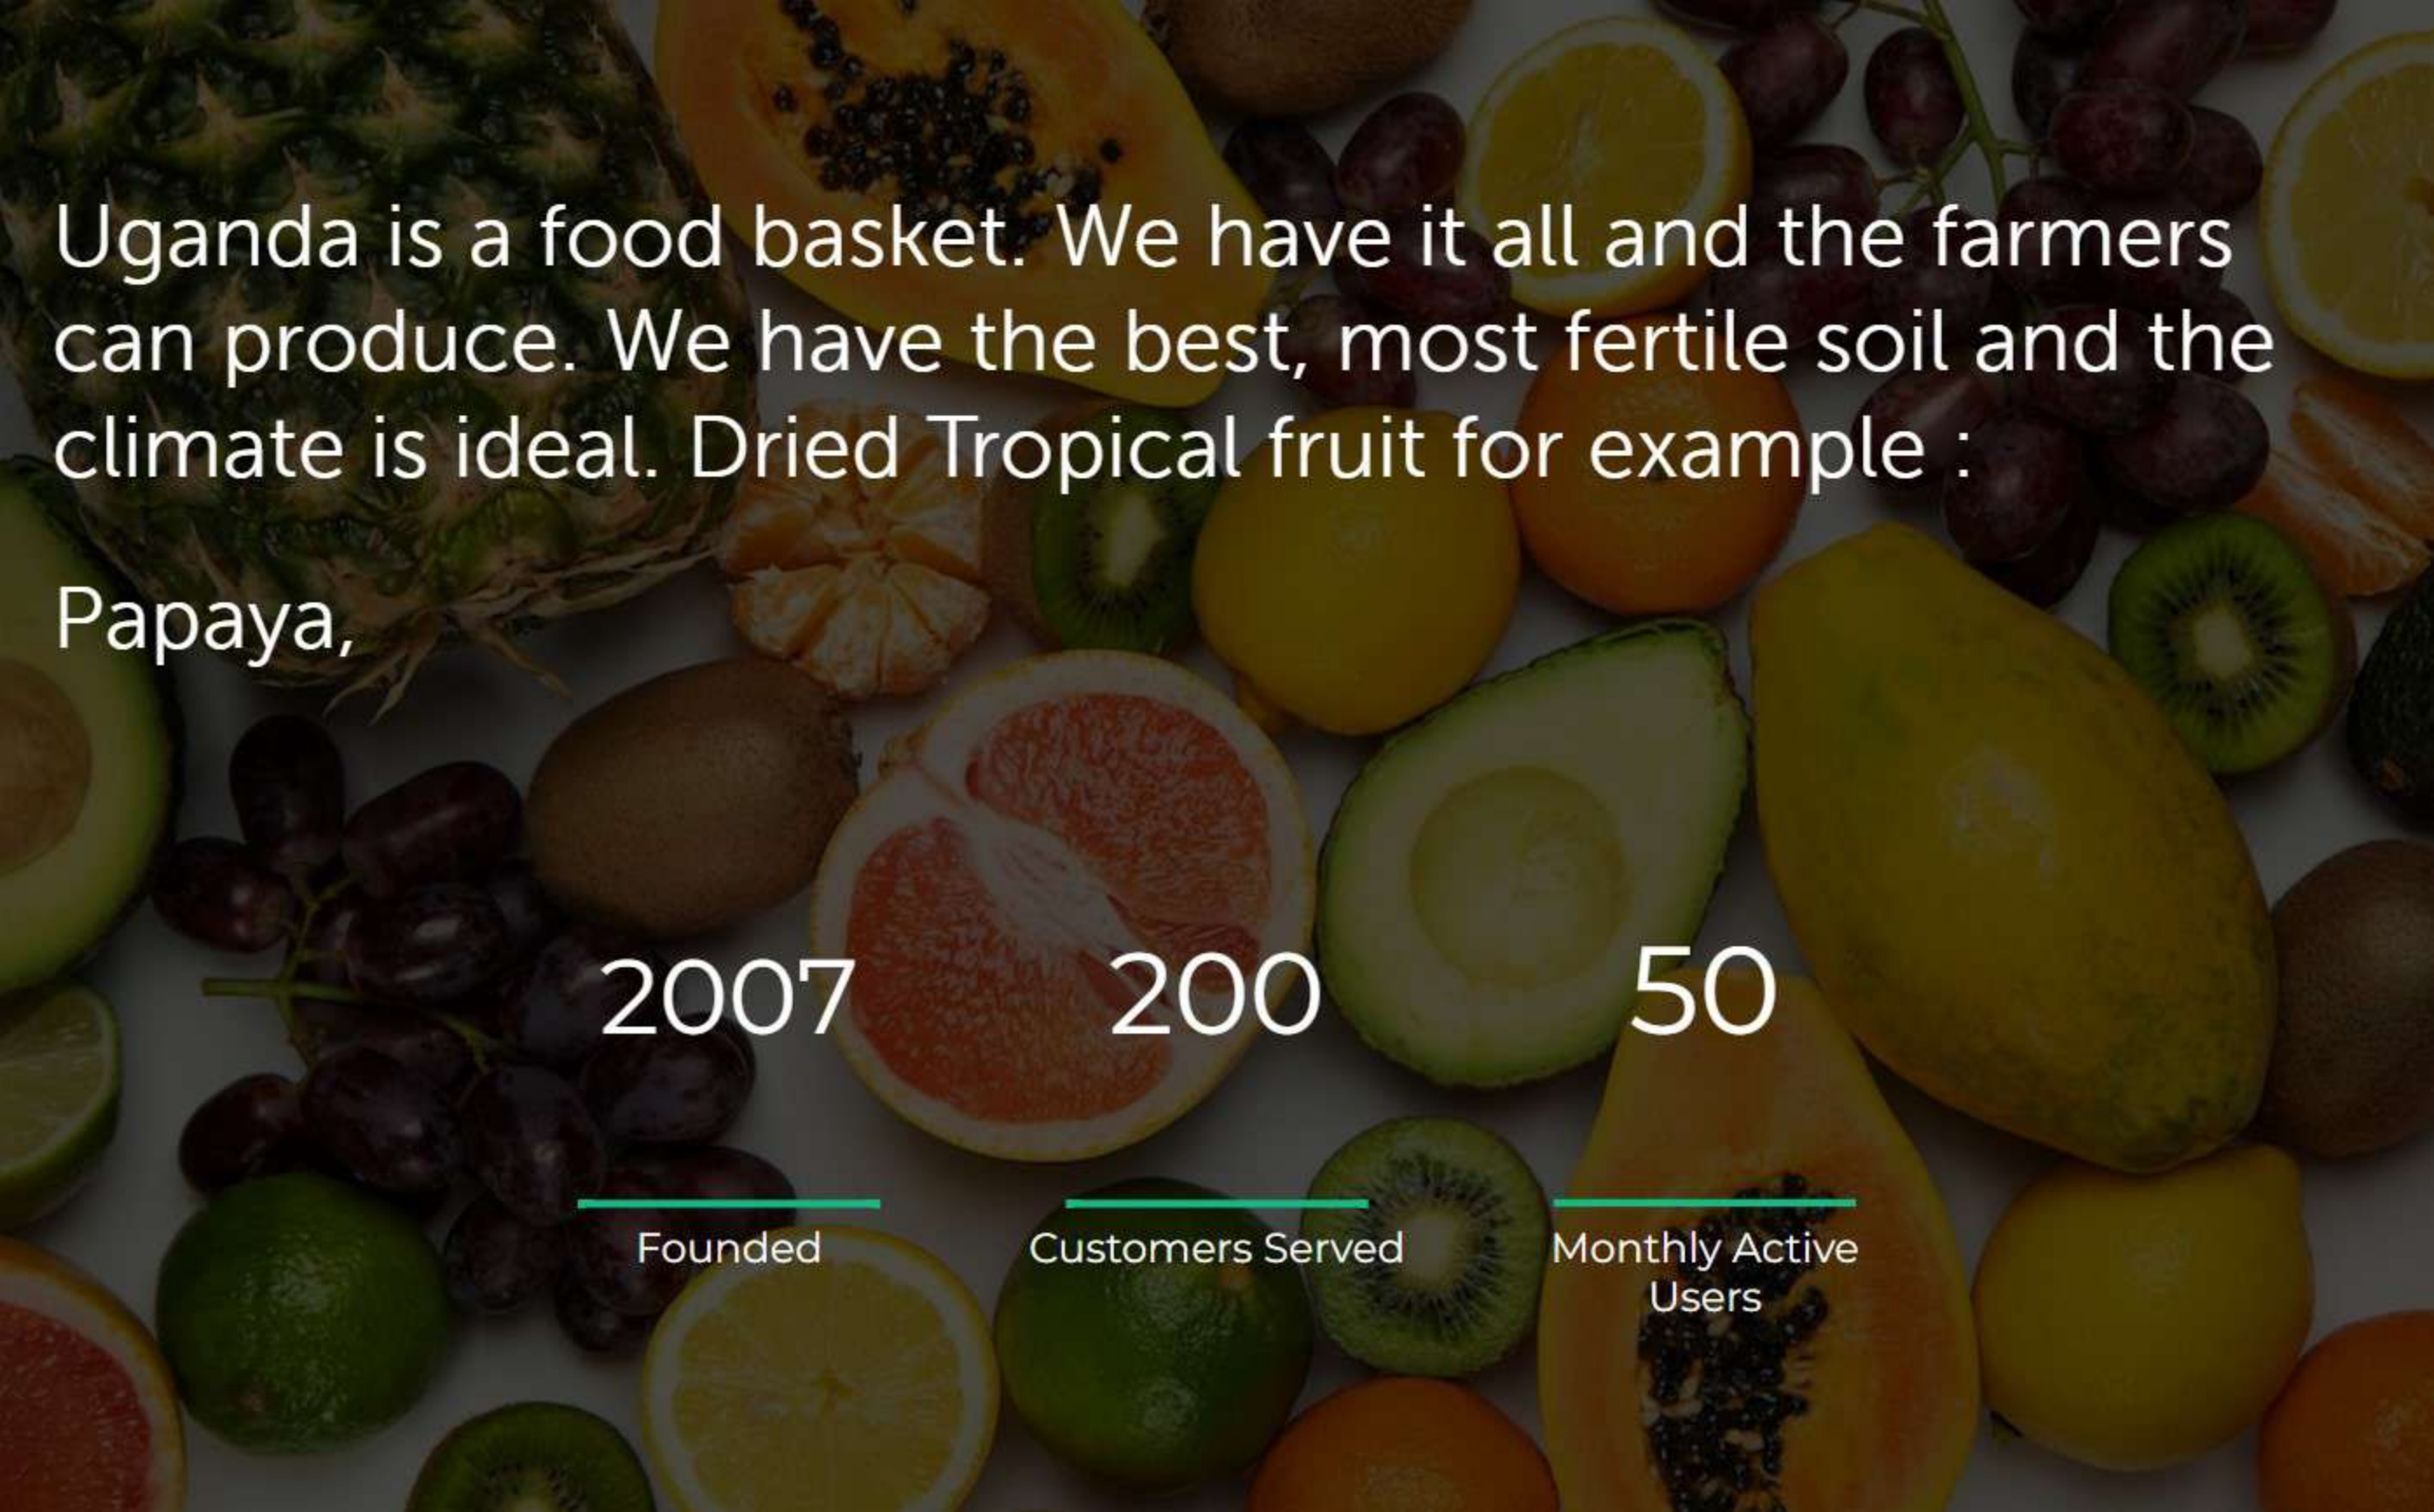

Vision

Positioning as leader in the export of Tropical Fruit (Dried-Frozen-Fresh) in the country of Uganda in the next 5 years and then expand into other international markets.

Mision

Provide B2B and consumers a quality and healthy product. Create an environment that contributes to the development of farmers, also committing to the community and the environment care.

Uganda is a food basket. We have it all and the farmers can produce. We have the best, most fertile soil and the climate is ideal. Dried Tropical fruit for example :
