MAURITIUS GOLD RUM

With food grade real 24 carat gold

Taste

- The palate is pronounced and sweet with pronounced flavours of honey and fruit. Alcoholic notes are present but don't dominate the mouth.
- Harmonious peach, vanilla, and cinnamon can also be picked up as the flavours evolve.
- Overall, the taste is well-rounded and balanced with intense and elegant flavours that work well together.

Olfaction

- On the nose, this is a very pleasant product with persistent and open aromas. Peach, apricot, and cinnamon notes are the most dominant.
- Hints of florals and caramel can also be picked up and give the rum a sweet and elegant touch.
- Raisin and vanilla aromas are also present to complete the complex aromatic structure.

Recommendation

- Best sipped at 15°C or on rocks.
- Enjoy it on ice cream – chocolate and vanilla recommended.
- Enjoy as part of your cocktail or part of your coffee!
