Embrace your natural beauty

About Us

As Sinoz Kozmetik, we have achieved to become one of the essential skincare brands for women all over the world with our innovative, high-quality, and rich product range in the field of skin care since our establishment in 2008. Our adventure, which started with the R&D process, continues with the delivery of the product to the consumer, after-sales services focused on customer satisfaction, and innovative, sustainable, and high-quality production and service understanding that we have been doing since our establishment.

We embrace the awareness of "Cleansing - Moisturizing and Sun Protection", which are the 3 basic steps of having healthy skin, and we help our consumers discover the beauty in their skin.

We offer reliable and high-quality products developed by our R&D specialists for the needs of consumers at affordable prices in the international market. In this way, we ensure that our world-class cosmetic products meet the consumers and we continue our activities with the aim of becoming a world brand that adds value to beauty.

Since 2016, we have started to meet with our customers in many European countries through our European headquarters in Amsterdam, Holland with online channels.

By opening stores in the Netherlands and Iraq in 2022, we succeeded to reach wider consumers in these countries.

We produce 98% of our products from recyclable packaging, keeping our sensitivity to human health and the environment at the forefront. We are proud to be a brand approved by PETA, the world's largest animal rights organization! We include vegan products in our product range and we refuse to test our products on animals.

We shape all our works with this awareness in order to respect nature and leave a sustainable life to future generations, and we take part in many social responsibility projects for this purpose.

The green color in our logo represents our sensitivity and love for the environment and all living creatures.

Our Headquarters in Istanbul

Sinoz Sun Sensitive Advanced Dark Spot Control Sunscreen SPF 50+ / PA++++ - 50ml

It is specially developed for conditions such as skin blemishes and signs of aging caused by the harmful rays of the sun. While providing UVA/UVB protection to your skin with SPF 50+ in it, it acts as a shield against sun rays and helps to provide a uniform and smooth skin appearance.

Ingredients and Effects

Caviar Lime: Evens out skin tone and lightens the color of existing dark spots. Helps to remove dark spots. Caviar Lime is rich in AHA.

Provitamin B5: It prevents skin irritation and helps to store moisture in the skin.

Shea Butter: Provides intense oil balance, softens your skin and creates a barrier against moisture loss.

Turmeric Extract: Provides an antioxidant effect with its skin whitening feature. It prevents the skin from producing excessive color pigment.

Vitamin E: It nourishes the inner and outer layers of the skin and helps it to be more vivid.

Sinoz Sunscreen for Oily Skin SPF 50+ /PA++++ - 50ml

Protects your skin's sebum balance and creates a barrier on your skin. While maintaining the oil balance, it protects your skin against harmful rays from the sun thanks to its SPF 50+ feature. With its light water-based structure, it is quickly absorbed and water resistant.

Ingredients and Effects

Urea: Care products with urea in their formula help to increase the moisture holding capacity of the skin.

Rice Extract: It is a useful ingredient in metabolic syndromes and facilitates the removal of excess fat accumulated in the skin.

Vitamin E: It nourishes the inner and outer layers of the skin and helps it to be more vivid.

Panthenol: Also known as vitamin B-5. It prevents skin irritation and helps to store moisture in the skin.

Sinoz Anti-Dark Spot Sunscreen SPF50+ - 50ml

Provides effective protection against skin spots that may be caused by sun rays. Actives, which are indispensable for anti-spot care, combine with sunscreen to provide a brighter and smoother appearance. It is water based and does not leave a greasy feeling.

Ingredients and Effects

Panthenol: Also known as vitamin B5. It prevents skin irritation and helps to store moisture in the skin.

Urea: Care products with urea in their formula help to increase the moisture holding capacity of the skin.

Turmeric Extract: Provides an antioxidant effect with its skin whitening feature, prevents the skin from producing excessive color pigment.

Vitamin E: It nourishes the inner and outer layers of the skin.

Sinoz Pink Touch Tone-Up Sun Cream SPF50+ - 50ml

This pink-based tinted sunscreen allows you to have a lively and bright skin tone while protecting your skin from sun light. While providing UVA/UVB protection to your skin with SPF 50+ in it, it acts as a shield against sun rays and helps to provide a uniform and smooth skin appearance.

Ingredients and Effects

Calamine: Regulates color unevenness on the skin surface. Gives a natural glow with its slightly pink structure. Creates a protective barrier against the harmful rays of the sun.

Panthenol: It is also known as Vitamin B5. It prevents skin irritation and helps to store moisture in the skin.

Shea Butter: Provides intense oil balance, softens your skin and creates a barrier against moisture loss.

Turmeric Extract: Provides an antioxidant effect with its skin whitening feature. It prevents the skin from producing excessive color pigment.

Sinoz Perfect Sebum Face Cleansing Gel For Oily and Combination Skin - 400ml

Sinoz Perfect Sebum Cleansing Gel is the ideal first step for your daily skin care routine. It cleanses your skin of environmental dirt, excess oil and make-up residues without drying your skin, leaving a silky feeling.

Ingredients and Effects

Salicylic Acid: Penetrates deep into pores, loosens dead skin cells, clears clogged pores and reduces sebum secretion.

Zinc PCA: Helps treating pimples and reduces sebum secretion and redness, in addition to moisturizing the skin.

Niacinamide: A form of Vitamin B3, helps to improve the elasticity of the skin, helps building cells in the skin while also protecting them from environmental factors.

Aloe Vera: Refreshes and moisturizes the skin. Helps soothing irritated or slightly damaged skin.

Sinoz Glow Tonic - 250ml

Sinoz Glow Tonic; with its purifying, brightening and instantly revitalizing effects, cleans excess oil, dirt and make-up residues on the skin, while illuminating and brightening your skin at the same time. Sinoz Glow Tonic helps tighten the skin, provides gentle exfoliation, evens out skin tone and revitalizes your skin.

Ingredients and Effects

Glycolic Acid: A water-soluble form of AHA, known as Alpha-hydroxy acid, is derived from sugar cane. It exfoliates the skin, working gently but effectively on the skin's surface: it makes a peeling effect without stripping the skin, leaving a radiant and even-toned finish.

Niacinamide: Also known as vitamin B3. It helps to improve the elasticity of the skin and also supports the toning of the skin tone inequalities.

Aloe Vera: Refreshes and moisturizes the skin. Helps soothe irritated or slightly damaged skin.

Gingseng: Reduces wrinkles and signs of aging, promotes elasticity and collagen production in addition to brightening the skin.

Sinoz Acne Free Cream - 15ml

Acnebiome™ Sebum Control Technology

Sinoz Acne Free, which prevents the growth of existing acne as well as eliminates newly emerging ones, provides moisture and sebum balance of the skin, and prevents possible blemishes. Due to its special formula, it soothes the sensitivity of acne-prone skin. Sinoz Acne Free Cream does not clog the pores of your skin and does not dry your skin thanks to its moisturizing structure.

Ingredients and Effects

Salicylic Acid: This oil-soluble acid penetrates the pores and helps to eliminate the clogged appearance. It prevents the formation of black-heads and acne, removes dead cells with its peeling feature, and maintains oil-balanced and purified skin. Besides, it reduces acne scars and blemishes.

Azelaic Acid: Cleanses the skin from dead cells and balances sebum formation in the skin.

Zinc Oxide: It can be used in the treatment of acne and rashes. It helps regulate the oil balance of the skin.

Panthenol: It strengthens the skin barrier and locks in moisture, at the same time it helps to rejuvenate skin cells.

**In clinical tests, it has been proven to provide visible shrinkage and drying on acne within 8 hours.*

Sinoz Cleansing Clay Face Mask - 50ml

With natural Kaolin and Bentonite clays in its content, it deeply cleans the oil and dirt layers that penetrate the skin and allows the skin to breathe. It is very effective on acne, blackheads and pores. It maintains the sebum balance of the skin and helps it look smooth and radiant.

Ingredients and Effects

Kaolin: Provides oil control on the skin. It improves skin elasticity and creates a firming effect.

Bentonite: It is a useful ingredient for acne treatment, intense acne appearance and abnormalities in sebum balance.

Spirulina Powder: Provides anti-aging and anti-inflammatory effects, with the many antioxidants it contains. Spirulina fights free radicals and, therefore, can prevent skin damage that can lead to wrinkles and signs of aging.

Cucumber Extract: While calming the skin, it helps to shrink the appearance of large pores on the skin with its rich amino acids and enzymes.

Chamomile Extract: Provides healing and calming care for inflamed and worn out skin.
