01

BUSINESS OVWRVIEW

It all started with group of mothers within Limpopo province.

They used to buy from companies like green farm and many more around Vhembe district and all areas around.

My mother was part of the struggle who used to buy and clean them, separate them according to the sizes and sell them to buyers locally.

We used to work as small hawkers with no background but having all the skills and love for the nuts.

From 2008 until 2019, we were used to buy lot of nuts from inshells to kernels in kgs to around 10 tonnes per year.

Until now as I decided to make a mark out of this business started by my mom grace, this year I have decided to learn a lot about nuts, its nutrients, market and now I have registered a company therefore I can expand with this business lawfully.

Full time employees are now 8.

Year started 2008.

Year registered 2022

02 ABOUT US

Tasty n healthy is not yet known but the quality of grace nuts to lot of local buyers is known and appreciated by lot of local buyers.

We have been operating for more than 10 years but now we want to operate furthermore legally and with love.

We are currently supplying locally but eventually as we are registering everything from company to employees we are going to expand to other countries as well.

03 VISION AND MISSION

VISION

To become one of the largest suppliers of macadamia nuts, cashew nuts, pecan nuts and other different types of nuts globally.

Not just a supplier but quantity with quality first.

MISSION

To become one of the companies that loves its local as they say local is lekker, meaning we will buy from every household that have macadamia nuts tree and other nuts tree to big farmers and supplier locally and international.

Our main purpose to produce local while creating jobs for youth especially putting ladies first.
