PRODUCTION AND EXPORT

VUTRUX CO., LTD - established in 2018, is one of the reputable manufacturers and exporters of charcoal, binchotan charcoal, ogatan charcoal, natural activated carbon, and reliable wood products in Vietnam. We have a production plant and affiliated units with stable quality and output.

Our charcoal and wood products are sustainably sourced and produced, with wood supplied from forest owners certified by the government for planting and harvesting in accordance with French regulations. VUTRUX CO., LTD has years of experience in exporting to European countries, Japan, the United States, and Australia.

VUTRUX CO., LTD is looking for importers, wholesalers, retailers, distributors, and restaurant chains that have a demand for Binchotan and Ogatan charcoal to distribute in their area or system. Please do not hesitate to contact us for the best quality products and services.

PROMOTING INVESTMENT IN VIETNAM VUTRUX CO., LTD provides investment opportunities as per customer requests. If you are looking for land or a factory to start a business in Vietnam, our company will search for and support your investment in Vietnam.
