

Pamoo Industries

Manufacturer & Supplier of Custom Clothing
Fitness Wears & Sportswear

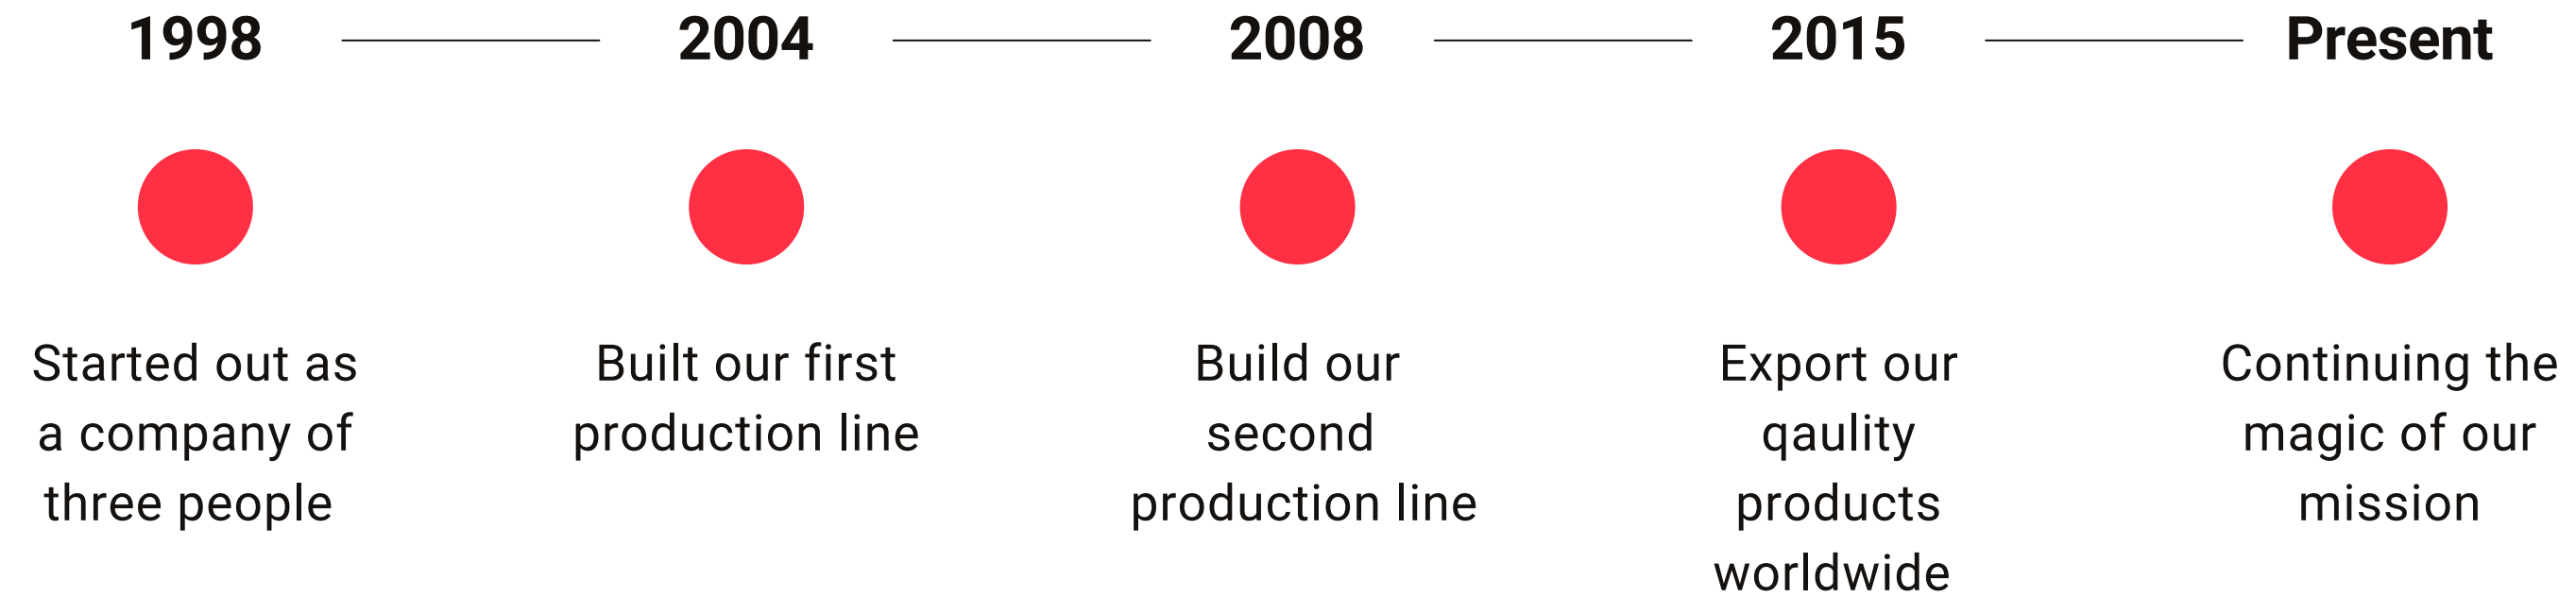

Welcome

Pamoo Inds

We're so glad you're here!

Our Story

Introduction

Pamoo Industries is a strong based company established in 1998. Pamoo Industries is the High-quality Manufacturer / Exporter Of all Kinds of High-Quality Boxing Gears Martial Arts & Fitness Wears. We are using different kinds of fabric such as Imported/Local Fabric, Knitted/Woven, Mix Cotton/polyester, polyester/Cotton, Coated/Uncoated, and special fabric on demand of our customers. Our Team consists of highly competitive and qualified personnel who believe to produce quality products to meet high-quality standards. Able to produce sports products at a large scale and fully aware of market strategies and new trends.

We always employ a skilled worker who is continuously engaged in producing high-quality products for our customer satisfaction to maintain the standard from raw material to final products with the latest machines and equipment's so this is the reason we are working with famous brands in whole Europe.

AIM/GOAL

Customer satisfaction is what we strive for. The company realized that without a customer no business would run. It's the customers who are the KING and who eventually help pay the bill at the end of the day. If the company can keep her customer happy, all things will go perfectly as all things run around the customer in the capitalist society.

Customer Satisfaction.....And We Guarantee It!!!

Child Free Labor

Company Policies:

- Customer satisfaction is our first priority
- Delivery at your desired time.
- We defined the process of manufacturing.
- Quality control through tight monitoring policy.
- High level of commitment.
- Environment-friendly methods of production.
- High focus on Innovation.

Members:

The Sialkot Chamber of Commerce

Factory View

Fabric Store

Fabric & Leather Store contains high-quality imported fabric and leather.

Cutting Process

Highly skilled & Professional Fabric cutting staff are the brain of our quality manufacturing.

Printing Process

We have educated & experienced printing staff.
Printing quality is our priority.

Factory View

Embroidery Process

The production department will set standards and targets for each section of the production process. The quantity and quality of products coming off a production line will be closely monitored, quality is monitored by all employees at every stage of production, rather than this at the end as-well by quality control dept.

Stitching Process

Ironing

Factory View

Checking Process

We have educated & experienced Quality Checking Staff who don't leave any kind of ambiguity in the quality of all products. They are trained under the SGS quality Standards.

Packing Process

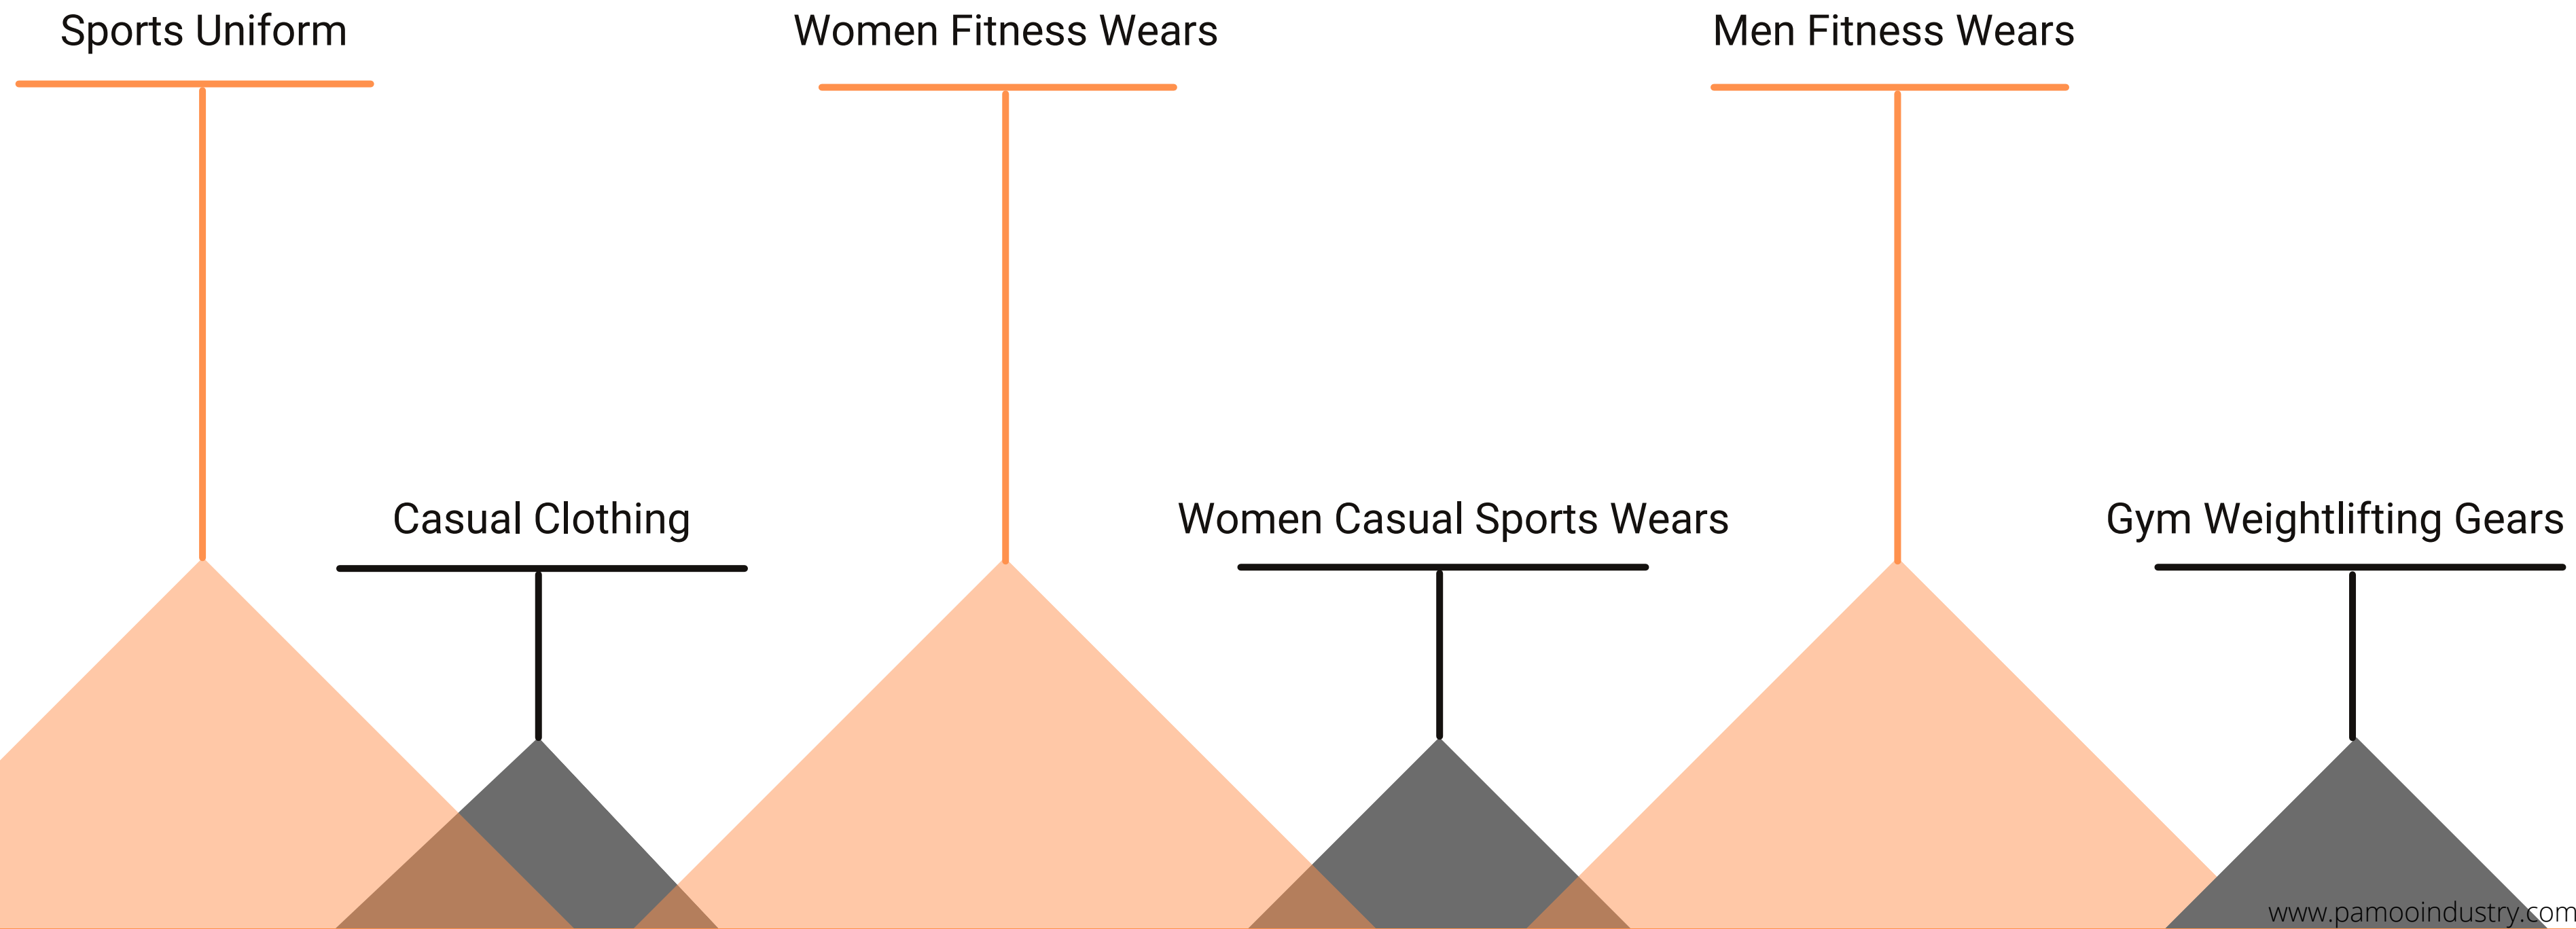

After the inspection of the quality control department at finalization step our skilled staff again check each piece from its cleanliness to each stitch and after finalization, the piece will go to the packing department.

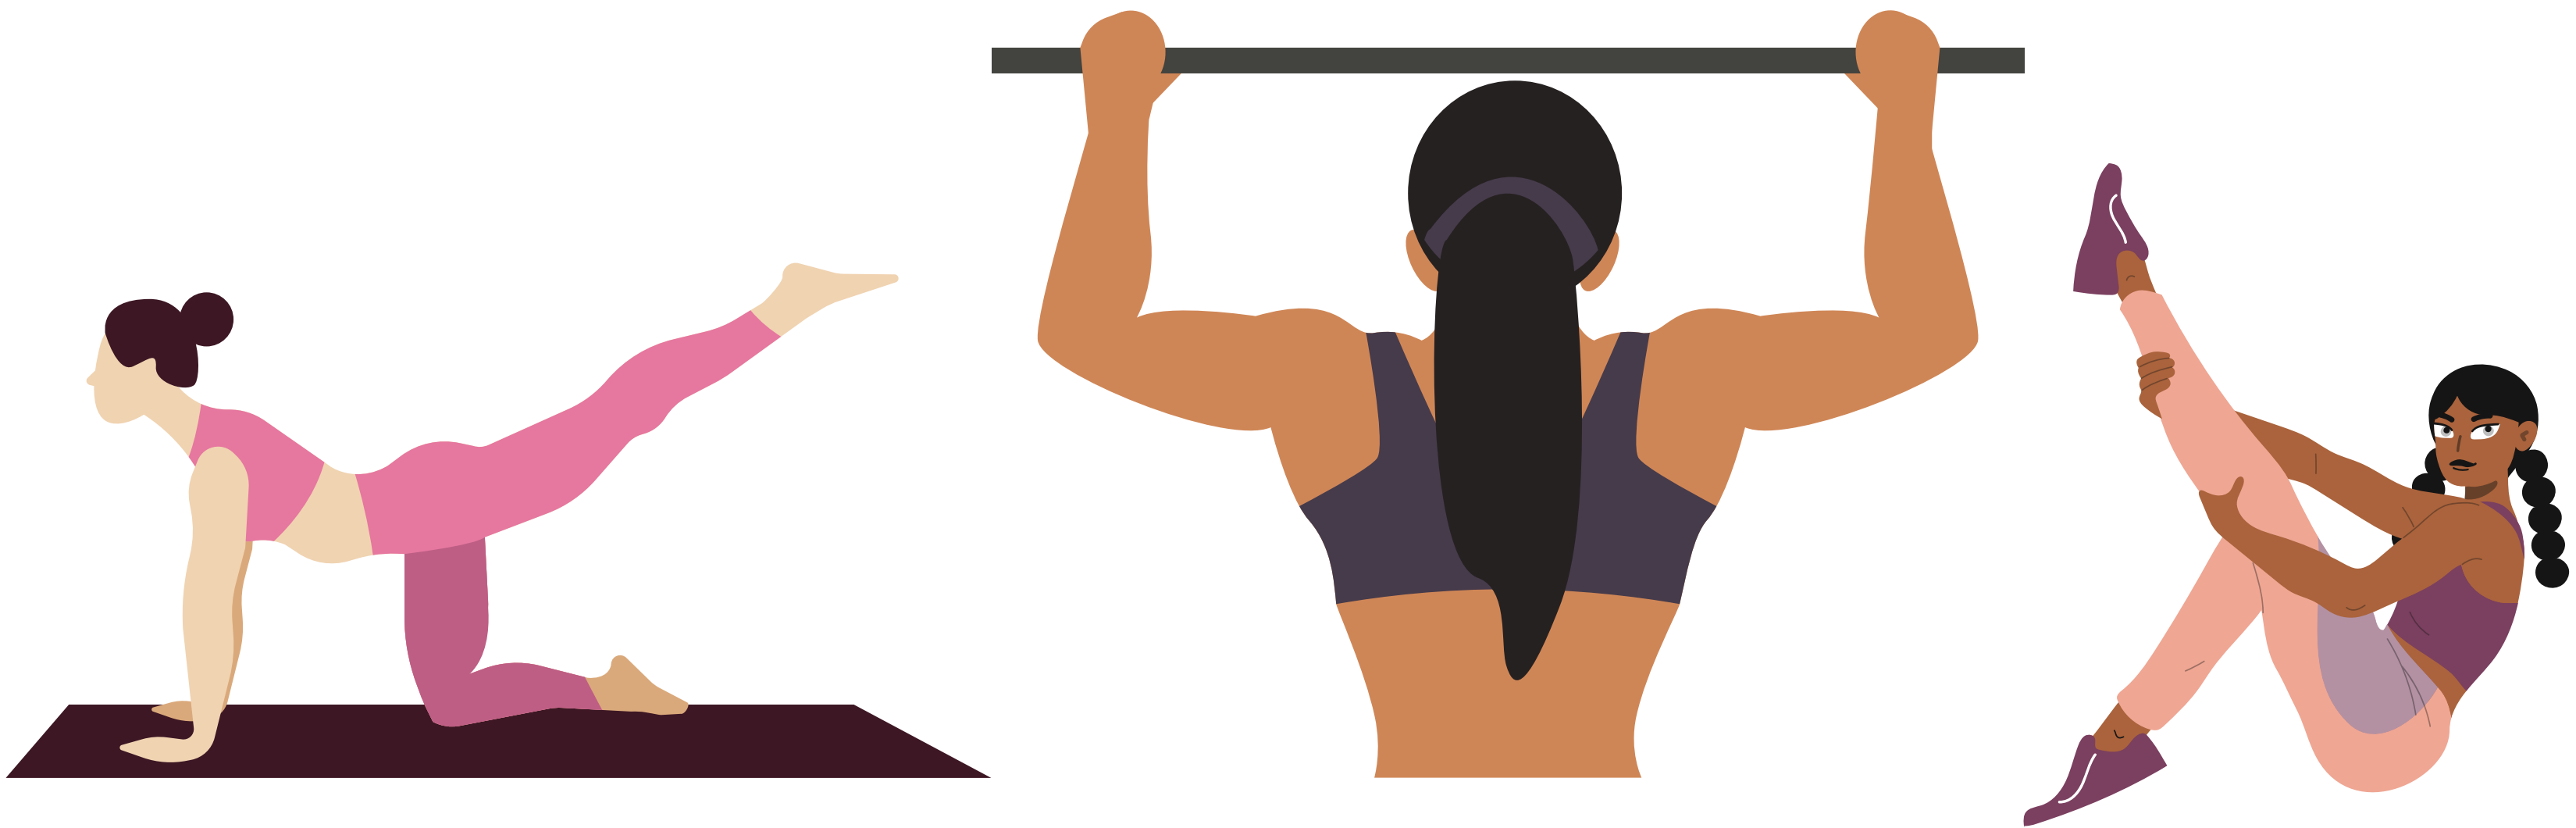

Container Loading

The final step to load container, move toward buyer destination.
