

Our philosophy

We are

- a third-generation family business located at 7122 Gols, Obere Hauptstraße 38, producing and selling high quality wines from organic farming.
- a member of the PANNOBILE and RESPEKT Group.

We want

- to produce authentic wines with the experience and knowledge of generations, our wines should be a reflection of man and region
- to make traditional and natural processed wines
- to produce sustainably to conserve resources for future generations
- complex wines with drinking fun, but also depth and potential
- to strengthen the wineyard system through biodiversity and organic farming

We are producing

- Red wines (Zweigelt, Blaufränkisch, St. Laurent)
- White wines (Welschriesling, Chardonnay, Grauburgunder, Neuburger, Weißburgunder, Traminer)
- Sweet wines

A special concern for us is

- sustainable production in harmony with nature
- a balanced CO2 balance
- to bring our philosophy closer to the consumer and thereby give a thought for the value of regional products.

We attach great importance to

- the use of biological and plant-strengthening agents such as tea (chamomile, horsetail, nettle, etc.) and natural balanced fertilization
- to deploy employees according to their abilities in order to ensure an optimal cooperation
- good teamwork, because joint success should benefit everyone

Our declared goals are to

to produce wines that are drunk immediately, as well as wines with
development potential for decades
to keep regular customers and to inspire new wine affine, wine connoisseurs,
for our wines
in addition to the existing EU market, new
to develop markets (Asia)
motivated self-employed employees, who are our
philosophy and are also ready,
to take responsibility
to tread individual paths in winemaking
