

GSELLMANN

ANDREAS

We are

a family business in third generation, established in Gols, Burgenland, Austria.
involved in the cultivation, production and sale of high-quality wines from biodynamic farming.
a member of the group PANNOBILE and RESPEKT.

We want

authentic wines with the experience and knowledge of older generation, our wines should be a mirror image of man and region.
a traditional and natural processing of wines.
sustainable production to obtain resources for future generations.
complex wines with drinking and fun but also depth and potential.
to strengthen the system by vineyard biodiversity and organic farming.

The production includes

red wine: Zweigelt, Blaufränkisch, St. Laurent and Pinot Noir, Pannobile, Heideboden and Gabarinza,
white wine: Chardonnay, Pinot Gris, Pinot Blanc and Traminer
and sweet wines: Icewine, dessert wines

The target groups are: retailers and hotel, restaurants

A particular concern to us is

sustainable production in harmony with nature
a equalized carbon balance
give the consumer an understanding of our philosophy and thereby provide a cause for thought for the value of local products

We attach great importance

to the use of biological and plant strengthening agents such as tea' and natural balanced fertilization
to be sure employee use with their skills to provide an optimal cooperation safe
on good teamwork, as joint success is beneficial to all

Our stated goals are

to keep regular customers and to attract new wine-related people and wine experts
in addition to the existing EU market develop new markets (Asia)
self-motivated employees who share our philosophy and are willing to take on responsibility
individual paths to tread in winemaking
to produce wines that are drunk right away, as well as wines with potential for development for decades
