

Our Company Vision, Mission & Strength

Company Profile:

Faas Traders have been growing in leaps and bounds in the field of trading industry. We deal in different channels of business such as Importing, Exporting, General Trading, and Distribution. We are proud to have a wide range of trading products that suits your requirement in a highly competitive environment thereby saving money for you due to special pricing without compromising on quality and specification of products.

Vision Statement

To become as one of the most favorable companies in supplying the electrical, mechanical and hardware trading industry need.

Mission Statement

We are focused in identification of client's requirements and meeting or exceeding our customer's expectations in all products and services. We are committed to provide our products at the right time and at the right place with zero tolerance thereby making Supplyability 100% under all justified situation.

Our objective

Becoming professional marketing partners for our principles to meet the objectives of sales, market information and customer service.

Our Goal

Customer satisfaction is the ultimate goal of our company.

Our Attributes

- **Trustworthiness & Transparency**
Communicating honestly and creating relationships is a big part of who we are. We believe that trustworthiness and transparency are vital elements in retaining and creating successful future business relationships.
- **Integrity**
We abide by the rules and regulations of business society. We believe that communicating ethically and morally towards our customers is essential to corporate growth and strength.
- **Innovation**
Responding innovatively to difficult solutions is what sets us apart from our competitors. We believe that this helps us gain a fresh new perspective to problem solving.
