## DIRECTOR'S MESSAGE

**FAISAL FARHAN**

DIRECTOR  
JFS GLOBAL TRADE

Success was never a dream for me. It has always been a far-off reality and after one milestone is achieved, there is always another one waiting to be crossed. With this thought, I decided why not to promote our artisans globally by selling their products worldwide and giving them due recognition in the global markets.

So, JFS GLOBAL TRADE was born in 2021, a company that is in the business of eco-friendly products, jute products, handicrafts, handbags, shopping bags, purses, slings, BOHO`s / Bohemian`s, etc.

JFS GLOBAL TRADE is a renowned exporter of environmentally friendly products based in India. Our goal is to provide quality products at competitive prices assuring that we stand behind our products, thus, building trust and long term relationships with our ever growing customers.

Overcoming the challenges with the support of our artisans, we have been successful in bringing JFS GLOBAL TRADE to a new milestone of global recognition.

Our company is establishing it`s global footprints with miles to go. With the support of our artisans and clients, I am confident that our company will continue to grow in the years to come

## MISSION

We aim to raise awareness about the importance of sustainable living and the benefits of using eco-friendly products. Our mission is to provide a curated selection of products that are ethically sourced, produced with minimal environmental impact, and align with our core values of sustainability, quality, and innovation.

## VISION

We aspire to be a catalyst for positive change, leading the way in promoting eco-friendly products, supporting ethical practices, and advocating for policies that prioritize environmental sustainability. Our vision is to promote our artisans products globally which will help them to earn a living with dignity. We envision a world where sustainable choices are easily accessible, affordable, and celebrated.

# COMPANY PROFILE

JFS GLOBAL TRADE is a renowned exporter of environmentally friendly products based in India. With a strong commitment to sustainability and a focus on promoting eco-friendly practices, we offer innovative and responsible solutions to customers worldwide.
