EMBROIDERED BAGS

Product Description – Embellished patch work on both sides. Patch and mirror work embroidered, strong, durable, comfortable. Double stitched and reinforced. Inside is thick canvas fabric lining for maximum durability. Large wide straps for a comfortable carry.

Material Used – Canvas fabric. Canvas is known for its strength and versatility. It is a plain – woven fabric typically made out of cotton and, to a lesser extent, linen. Canvas fabric is known for being durable, sturdy and heavy duty. By blending cotton with synthetic fibers, canvas can become water resistant or even waterproof, making it a great outdoor fabric.

Product Code : EB 01
Dimensions : Length 14 inch x
Breadth 22 inch
Weight : 400 Grams

Product Description – Embroidered shoulder bag with zipper closure and mirror work. Embroidery done by machine. It is top stitched along the edge for durability and style with 1 small pocket inside to keep your valuables like credit / debit cards, Id proof, driving license, etc. and holds all your essentials like documents, files, cosmetic items, cell phones, novels, etc.

Material Used – Roto fabric. It is perfect for making bags, apparel, clothing and other accessories. This type of fabric has smooth texture, closely woven pattern, ideal dimensions. Roto is one of the types of multi filament yarn consisting of more than one long continuous filament grouped together and having punches in length at a regular interval of distance to prevent the fraying of filaments.

SLING BAGS

Product Description—Handmade bags from vintage fabrics, contains one small pocket inside to keep your valuables. Size of the bag is good enough to keep your smartphones as well. Shoulder strap is adjustable as per your convenience. Beads and embroidery work. The patch work is done by hand. Patch work is a form of handcrafted needle work that involves sewing different designer fabric pieces into a larger design. Coin and beads gives it a fashionable and stylish look. All bags are entirely unique from one another. These bags are light weight, durable and soft.

Material Used – Cotton, magnet button with zipper. The material of these sling bags are vintage which are collected over the course of many years from the Banjara tribes of Northern India. Due to this, the bags may have marks, blemishes and in some cases loose stitching. This, however leads to creating uniqueness for the bag and it only adds to their individuality.
