## TEXPROINN

The fashion industry is evolving in a positive direction and the concept of Conscious Fashion promoted by Texproinn and its product portfolio is becoming more and more relevant.

Raw materials and environmentally sustainable production processes that seek to offset the great effect of the industry on our ecosystems.

Social and human responsibility throughout the textile chain, caring for the integrity and well-being of the people who are part of the manufacture of our products and the social environment.

Inclusive fashion with affordable clothing for everyone.

Products with a long life cycle that go hand in hand with the concept of circular fashion are part of the four pillars of the idea of Conscious Fashion that are the foundation of our company.

# OUR BASIC GARMENTS

## T-SHIRTS

Starting from the silhouettes to our textile and clothing finishes, you will find the best option to make your basic garment unbeatable.

## HOODIES

Comfortable, casual...  
Regardless of the style, you are looking for, our jumpsuits will always be the ideal complement.  
Basic hood or round neck, with the best finishes in clothing, light and warm.

## JOGGER

Comfort today is a fundamental part of your style, and that's why joggers have become one of the basic garments for all kinds of occasions.  
Our joggers with waistbands, drawstrings, and semi-sheathed boots are one of the new garments to have in your wardrobe.

## POLO SHIRTS

The polo shirt is one of the most versatile garments. Our Polos are 100% fresh and with excellent finishes. Rectilinear knitted collar and cuffs in the same tone as the main fabric.

# T-SHIRTS

## LINE

## ¡BASICS THAT WORK!!

¡Our t-shirts are the perfect basic!

Starting from the silhouettes to our textile and clothing finishes, you will find the best option to make your basic garment unbeatable.

You will find the best quality finishes in the making of our basics, with specialized machinery, guaranteeing the delivery of a 100% reliable product.

Remember that all our basics can be decorated, from the most common techniques such as screen printing, transfer, and embroidery to a manual appliqué.

# OUR DEVELOPMENTS

**REMEMBER!**

**COUNT ON US...**

We know how important the launch of a collection is for your brand!

For this, we offer you all the necessary help with the development of your prototypes.

We have a design area that will accompany you throughout the process, from the selection of the appropriate textile to its development and the approval of your final prototype.

Tell us your idea and we will have thousands of tools to make it a reality.

# HOW WE WORK...

1.

## CONTACTANOS:

Comunícate con nosotros

☎ 3152389667 / COLOMBIA  
✉ Contacto@texproinn.com

2.

## WE QUOTE:

¡Tell us what product you are interested in and let's find the perfect price!

Remember that we have minimums for your final production!

3.

## WE DEVELOP:

We can develop a sample of your product, it will take from 5 to 8 days depending on the garment you want...

Remember: The first sample has no value, we can make a maximum of 4 samples, of which the next 3 will have an additional cost...

4.

## PRODUCTION:

Once everything is approved! we can start producing...

Remember:

1. We must create you as a Client and we will ask you for some documents.
2. We must specify some details for your order to be successful.
3. We will be ready to produce and deliver your order.
