# Introduction

**SEHELY** TEXTILE AND DYEING is a Professional supplier of 100% cotton Towels to the world.

Our company was originally established in 1956, and it is located in EL Mahala El kobra – Egypt with a total area of 30,000 m<sup>2</sup> with more than 50 years of experience.

Our company is quickly becoming an important global supplier of textile Products. Our products are mainly terry Productions that vary from face towels, Kitchen towels, bath towels, beach Towels, toweling bath robe.

Welcoming all interested companies inquiries, we look forward to having the opportunity of cooperating with all clients.

The company consists of 4 different building in El Mehala El-Kobra; the first building is around 9500 m<sup>2</sup> the dyeing house around 4000 m<sup>2</sup>, and the new Building around 7000 m<sup>2</sup>. In addition to that there are 12 stores around the city for storing row and dyeing materials.

In July 22nd 2004, the company has got up certificate ISO 9001 from ASR under no. 2324.

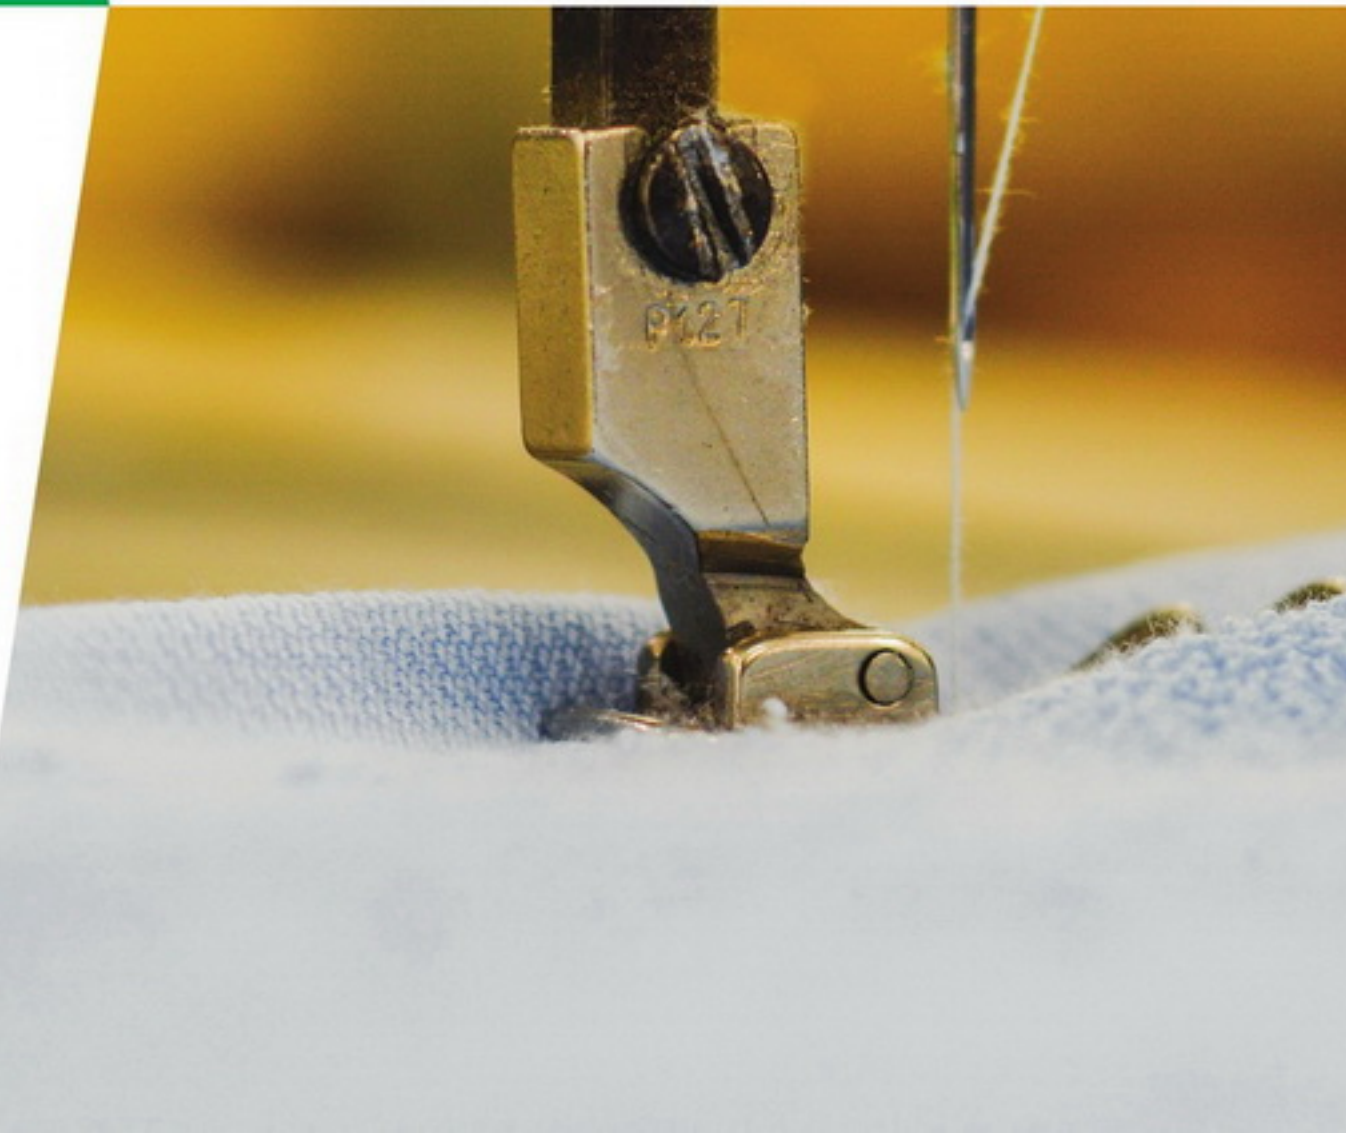

In October 01st 2003 we were certified as a license to use the Egyptian cotton logo, this certificate is a registered trade mark, and the only seal authorized by the government of Egypt.

We mainly targeting the exporting section and we do widely spread in Italy, united Kingdom, France, Spain, Greece, and Australia and other countries.

The origin of the factory goes back to the year of 1956 where it was built under the command of Mr. Mohamed Ali Sehely.

Now, the third generations completely in charge on running the production wheel, with a great Aspiration of expansion and spreading in the market.

Aiming to sustain our growth in the future, we are strictly operating in accordance with the principle of "good quality, further Development, and perfect service".

We certify that all our Products comply with the new EU directive 2002/61/EC and restrict all the AZO colorants in textiles products.

In November 19th 2008 we have got the certificate Oeko- tex.

In March 12nd 2009 we have got the certificate of registration health and safety management BS OHSAS 18001: 2007.
