अन्नं परब्रह्म स्वरूपम्

Food is God's Personification

We stand for and encourage the **joy of healthy eating and well being**. We do so by offering a range of innovative products promising Superior Nutrition and Taste.

We develop products using natural ingredients, restrict any traces of chemicals, preservatives or harmful ingredients to ensure authentic, natural and pure product.

Quality: We believe that quality is the responsibility of one and all. It is our religion. Natural ingredients from certified sources are processed with modern technology and scientific practices.

We have in-house **UV-C sterilization (germicidal)** capabilities for processing both whole or powdered spices and herbs.

Infrastructure

Our processing units have facilities of complete in-house spice processing and food solution facility which enables us to provide the best of quality, from the first stage to the last. We have always been pro-active in adopting the latest technologies and we were amongst the first few to introduce UV-C sterilized spices in India.

Blended/ Recipe Spices

Our R&D department continuously works on creating unique exciting blends that are new to the market. We have more than 50 products for different categories like seasoning, dusting, pre-mixes, blended/ recipe spice mixes etc.
