KNITTED & WOVEN GARMENTS MANUFACTURE AND EXPORTER

ABOUT US

Greetings!!!

We would like to introduce ourselves as one of the manufacture & exporter of kintted and woven garments in INDIA. The company has been founded and managed by the professional those who got vast industry experience to provide end-to end solution for global garments needs.

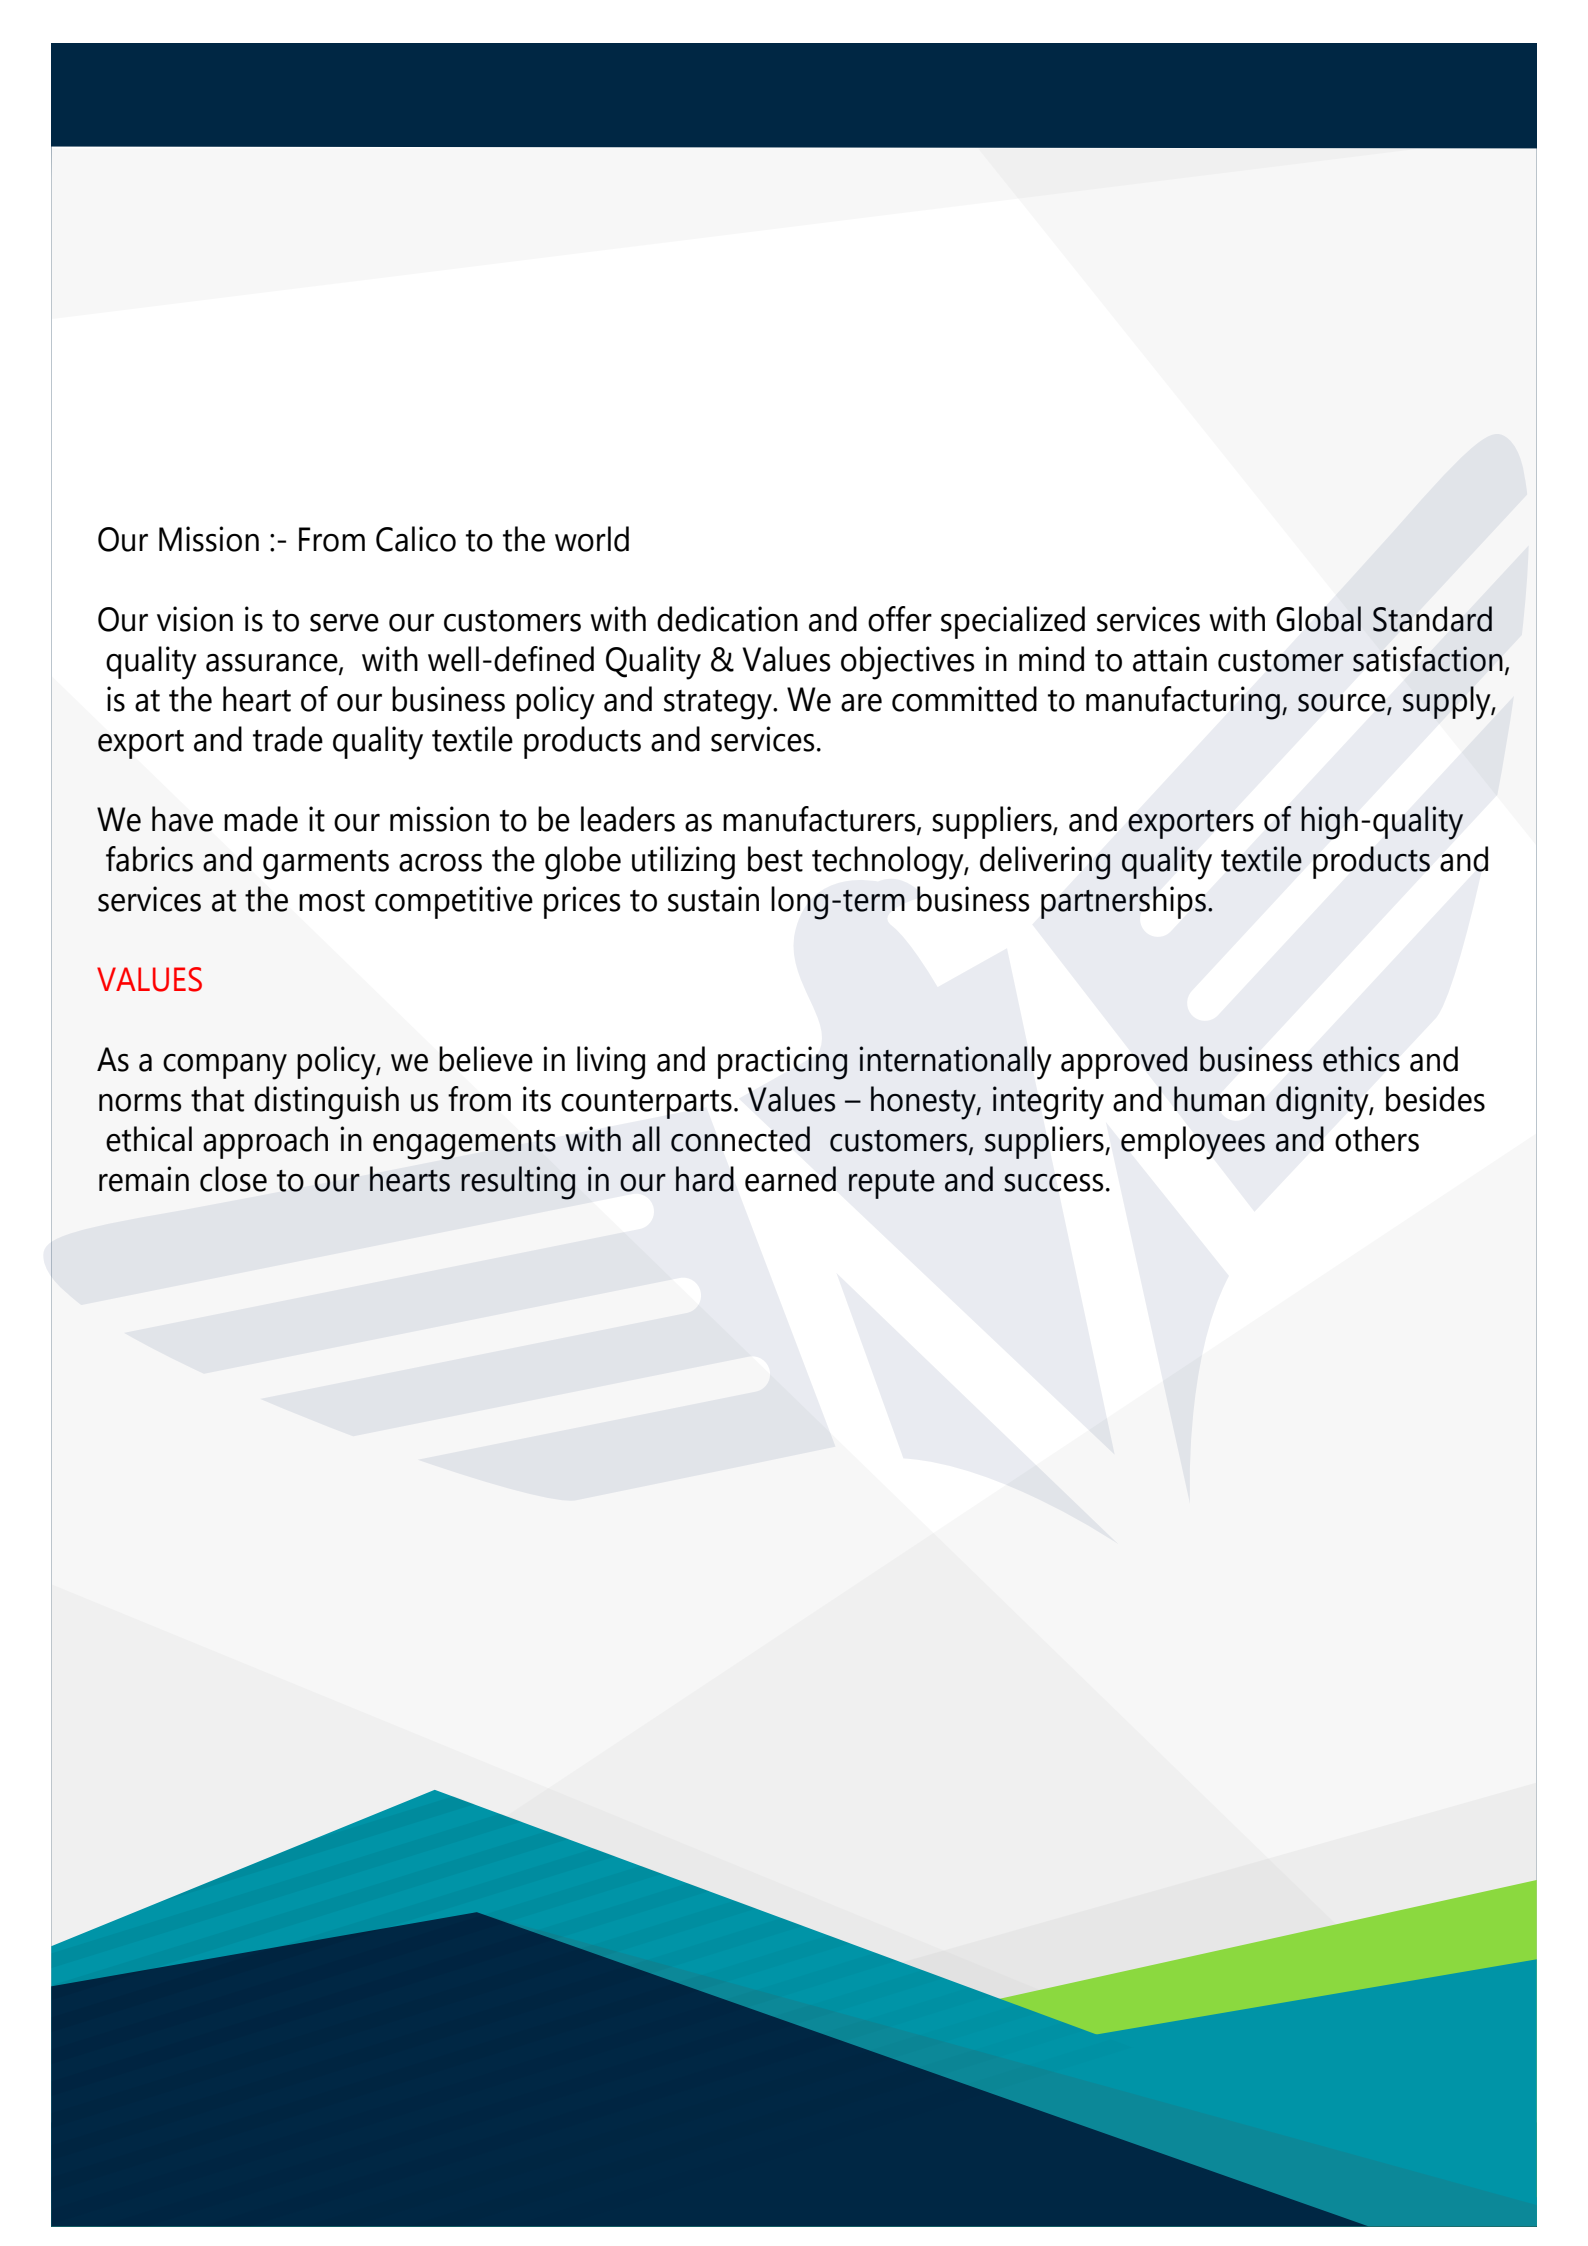

We understood that there is a high demand of core competencies in supply chain to meet shorter lead time, quality and prices. We at **M M Exporters** has got nice proficiency to bridge these requirements in precise. In one word "**Faster-better-cheaper**".

Who we are:- we are from the origin city of calico fabric. It is a simple and cheap quality of cotton; however, it is one of the oldest material forms in India. The word 'Calico' comes from Calicut, which was a European term for the Indian city Kozhikode, Kerala. It has an unfinished appearance and was originally discovered and coined by the British during their reign and influence in India.

started At bangalore on 2009 October as a buying office for Saudi Buyer still Pursuing the Deal with all new prospective manner, the milestones we passed make us more efficient and the well educated and experienced professionals team works makes the result fast accurate

Calico is a plain-woven textile made from unbleached and often not fully processed cotton

Our Mission :- From Calico to the world

Our vision is to serve our customers with dedication and offer specialized services with Global Standard quality assurance, with well-defined Quality & Values objectives in mind to attain customer satisfaction, is at the heart of our business policy and strategy. We are committed to manufacturing, source, supply, export and trade quality textile products and services.

We have made it our mission to be leaders as manufacturers, suppliers, and exporters of high-quality fabrics and garments across the globe utilizing best technology, delivering quality textile products and services at the most competitive prices to sustain long-term business partnerships.

VALUES

As a company policy, we believe in living and practicing internationally approved business ethics and norms that distinguish us from its counterparts. Values – honesty, integrity and human dignity, besides ethical approach in engagements with all connected customers, suppliers, employees and others remain close to our hearts resulting in our hard earned reputé and success.
