DESIGNED AROUND YOU

REDEFINING LIFESTYLES WITH FUTURISTIC TECHNOLOGY

At Lumiford, we are driven by innovation, inspired by your lifestyle, and committed to delivering the highest quality in consumer electronics. Founded by visionaries Mr. Shahi Md. Karim and Mr. Abhijit Bhattacharjee, Lumiford is more than just a brand; it's a promise of cutting-edge technology combined with aesthetic appeal

Our journey began with a clear focus - to create futuristic products that blend seamlessly into the modern lifestyle. Today, Lumiford stands as a premium lifestyle brand, offering an extensive range of high-quality, visually captivating, and feature-rich products that rival international standards. Our portfolio includes Smart Watches, Earphones, Headphones, and Bluetooth audio speakers, designed with the young generation in mind, individuals who seek style, comfort, and uncompromising quality.

What sets Lumiford apart is our design philosophy, inspired by the vibrant lifestyle and people of New York City. It reflects their aesthetic tastes, their unquenchable thirst for progress, and their zest for life. We've woven your essence into our brand, ensuring that every product we create is designed around you, evolves like you, is reimaged for you, and is ultimately made for you.

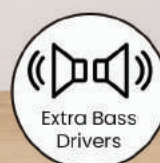

Our commitment to quality and superior design gives Lumiford a distinct advantage in both the international and domestic markets. Our technology is at the forefront of innovation. Our Bluetooth speakers come equipped with features delivering unparalleled sound clarity. Our headphones are made from skin-friendly memory foam and offer extended battery life, and they are water-resistant. Our earphones support dual pairing for ease and convenience.

With a vision to be recognized as one of the world's leading consumer electronics brands, Lumiford harnesses the collective knowledge, creativity, and expertise of its team to offer best-in-class products that bring unseen potential user experiences to life.

Headquartered in Bangalore, India, Lumiford's products are available through leading online platforms like Amazon and Jiomart as well as at various retail counters, including Celbay, Pai, Sathyas, Croma, Reliance Digital, and more. We are expanding our presence with more counters in South India and plan to launch in the North East and West India in the near future. Additionally, we have our sights set on international expansion in Nepal, Bhutan, Bangladesh, South Africa, Sri Lanka, Mexico, Canada, Malaysia, Dubai, the Middle East, Saudi Arabia, Singapore, and Indonesia

In alignment with the Government's "Make in India" initiative, Lumiford is on the cusp of setting up its own manufacturing facility, reinforcing our commitment to producing quality products on home soil. We're not just about technology; we're about crafting a lifestyle that's as vibrant and dynamic as you are. Lumiford - Redefining Lifestyles with Futuristic Technology.
