

Don't Mix.
Just BLND.

At FBPL, we're redefining how you drink. Our secret lies in our innovative blending process, a harmonious union of science and art. We've crafted the perfect balance between the purity of water and the essence of your chosen spirit. Our mission is to amplify your drink, not dilute it.

With BLND, the spirit's soul remains unaltered, while the concentration softens just enough to create a harmonious marriage of flavors. Your senses will revel in the symphony of taste, with every note hitting the perfect pitch.

Idea of **BLND**

BLND is your partner in achieving that elusive drink perfection. We are here for the discerning palates, the mixology enthusiasts, and those who crave an exceptional experience with every sip. It's not just about the drink; it's about the story, the memory, and the taste that lingers long after the glass is empty.

VISION

At BLND, we are driven by our passion for the art of blending. We believe that blending is more than just a technique – it's a creative and collaborative process that requires skill, knowledge, and a deep appreciation for the craft of distilling. Our dedication to the art of blending is what sets us apart from the rest.

MISSION

Our mission is to empower and inspire our customers to explore the world of blending. We believe that everyone has the potential to create unique and exceptional spirits, and we want to provide the tools and knowledge to make that a reality. Our commitment to quality and innovation drives everything we do, and we are constantly striving to improve and evolve.

State of the art **Production Facilities**

Our state-of-the-art production facilities established in Surendranagar Districts with environment friendly manufacturing campus. We establish a fully integrated and self-sufficient plant spreader across 8850 square meters of land and construction area of 12500 square feet amidst green farmland. There is no pollution in surrounding the plant and in process. The plant is operated by trained and dedicated workers and high skilled professionals, who ensure adherence to all defined standards and quality policy. Strict quality checks right from raw materials and packaging materials done to ensure complete conformity with defined all standards and perimeters.

A fully automated processing of raw water, multi stage filtration and reverse osmosis process and finally automatic filling and sealing process are totally human touch free, resulting in high standard of product to serve connoisseur of high-quality sprits.

Quality **Assurance**

We follow quality control based on stringent perimeter at all levels i.e. raw materials, the production process, at filling level of products.

A scientifically advanced, a regroups process is followed at our state -of the - art production facility to give every connoisseur an exceptional experience by offering greater consistency & quality of the highest standards.

The Art of **BLND** Water

We're here to unveil a realm of unparalleled pleasures for your palate.

CONSISTENT ART

Pour after pour, BLND water guarantees consistency in every glass. No more uneven mixes or unwanted surprises – just the pure, unadulterated taste you desire.

HARMONIOUS MIXOLOGY

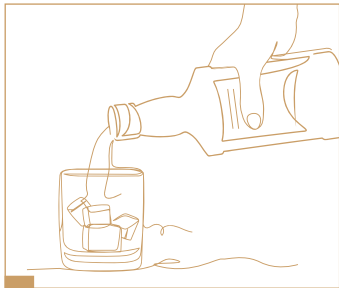

BLND water doesn't just mix; it choreographs a ballet of taste. It effortlessly waltzes with your spirits and ingredients, ensuring a harmonious blend where each flavour takes its cue without overpowering the star of the show.

PERFECT ENTERTAINER

With BLND water, your drinks become more than libations; they're showstoppers, conversation pieces, and symbols of your commitment to the craft. Elevate your entertaining game and make memories that last.

To fully enjoy your **BLND** spirits,
we recommend following
these simple steps:

1

Pour your spirit into a glass.

2

Add a small amount of
BLND blending water to
the glass.

3

Swirl the glass gently to
blend the spirit and water.

4

Take a small sip and savor
the complex flavors and
aromas.

5

Add more BLND blending water
as desired to adjust the flavor and
aroma of the spirit to your liking.

Team & Leadership

Our team is made up of passionate and experienced professionals who are dedicated to the art of blending.
