HUIRENMEDICAL

SHENZHEN HUIREN MEDICAL
TECHNOLOGY CO., LTD

One-stop medical accessories and
consumables supplier

HUIRENMEDICAL

Shenzhen Huirenmedical Technology Co., LTD. is a comprehensive medical accessories supplier integrating product research and development. It is the manufacturer of cuff products and also is the partnership shareholder of compatible Spo2 sensor manufacturers. Huirenmedical has a long-term cooperation with the third party companies such as Sinopharm, Kedu, Medical Industry and Ouwen, and is also a medical device service provider to many hospitals. The main products include blood pressure cuff, medical batteries, medical bulbs, ECG cables, electrocardiogram machine cables, Spo2 sensor, defibrillation electrode and other brands accessories consumables. In addition, medical equipment maintenance services are provided.

Our company takes "providing comprehensive solutions for medical accessories consumables" as the development direction, "carefully meet customer needs" as the purpose, and "respect, tolerance, health, integrity" as the cornerstone of corporate culture. Always be strict with ourselves, pay attention to quality details" is our commitment and guarantee to all customers! Our company has a professional research and development team, dedicated to develop and improve and enrich our product line.

Blood Pressure Cuff

We provide various brands of monitor cuff, ambulatory blood pressure cuff, arterial stiffness cuff, blood-pressure meter cuff, disposable blood pressure cuff, etc., the following products are only some models. For the cuff model, material, quantity, with/no airbag are optional/customized! (Specifications are just for reference)

Monitor blood pressure cuff

name	scope	model	cuff size	airbag size
Neonatal single/double tube cuff	6-11cm	HR12015	22.5*9.5cm	6*3cm
Baby single/double tube cuff	10-19cm	HR12025	29.5*9.5cm	13.2*6.8cm
Single/double tube cuff for children	18-26cm	HR12035	41*11.5cm	18*10cm
Adult single/double tube cuff	25-35cm	HR12045	50*14cm	23*11.5cm
Large adult single/double tube cuff	33-47cm	HR12055	65*18cm	32.5*16.5cm
Large adult single/double tube cuff	46-66cm	HR12065	77*22.5cm	38*20cm

- Use high quality nylon fabric, skin-friendly, soft, flexible compression and tensile. Wear resistance, corrosion resistance, heat resistance, high softening point.
- High quality PVC pipe line and TPU material airbag, good air conduction, no sensitization.
- Latex-free and past biological compatibility testing.
- Meet the requirements of 6 sizes of arm circumference; single and double tube can be selected.

Disposable blood pressure cuff

name	scope	model	cuff size	airbag size
Neonate1	3.3-5.6cm	HR11015	11*1.6cm	5*1.2cm
Neonate2	4.2-7.1cm	HR11025	14*3.2cm	5.8*2.8cm
Neonate3	5-10.5cm	HR11035	20*4cm	8.4*3.6cm
Neonate4	6.5-11.7cm	HR11045	29*5cm	9.8*4.6cm
Neonate5	8.9-15cm	HR11055	25*5.3cm	10.5*5.5cm
Neonate6	9.8-13.3cm	HR11065	27*6cm	12*5.6cm
Infant7	12.4-16.8cm	HR11075	30.5*7.5cm	12.5*6.5cm
Childre8	15.8-21.3cm	HR11085	38.5*9cm	18*8cm
Young adult9	20-27cm	HR11095	40.5*11cm	20.5*13cm
Adult10	25.3-34.3cm	HR11105	51.9*14cm	23*13cm
Large adult11	32.1-43.4cm	HR11115	64*17cm	32*16.5cm
Thing12	46-66cm	HR11125	81.5*21.5cm	38*21cm

- Using high quality PVC non-woven material, skin-friendly, soft, good comfort.
- High quality PVC pipeline, ensure sensitization.
- 12 models of single/double tube optional, high quality TPU material, good air conductivity.
- Single-time use, avoid cross-infection.
- High cost-effective, compatible with all kinds of brands.
- Latex-free and past biological compatibility testing.
- Comply with ANSI/AAMSP10-2002-ENG60601-1:1900

Dynamic blood pressure cuff

name	scope	model	cuff size	airbag size
Cuff for children	18-26cm	HR21015	40*12cm	15*7.5cm
Cuff for adult	24-32cm	HR21025	60-14cm	23*11.5cm
Large adult cuff	32-38cm	HR21035	64-15cm	30*14cm

- Using high quality pure cotton material, sweat absorption, soft, allergy, easy to clean, no hairball, etc.
- High quality PVC pipeline, ensure good air conduction cuff, no sensitization.
- Clear use of indication identification, simple and clear.
- High cost performance, good compatibility.
- Meet 3 kinds of arm circumference requirements.
- With medical grade TPU airbags.

Electronic blood pressure cuff

name	scope	model	cuff size	airbag size
Cuff for children	16-22cm	HR31015	40*12cm	15*7.5cm
Cuff for adult	22-30cm	HR31025	49*15cm	23.5*13cm
Large adult cuff	22-42cm	HR31035	56*17.5cm	30*14cm

- Using high quality nylon fabric, skin-friendly and soft, good flexibility. Compressive pressure and tensile resistance, wear resistance, corrosion resistance, etc.
- High quality PVC pipeline, ensure good air conduction cuff, no sensitization.
- Clear use of indication identification, simple and clear. High cost-effective, compatible with all kinds of brands.

Blood Pressure Cuff

Provide a variety of original and compatible blood pressure cuffs. Mindray, A&D, Welchallyn, E d a n , D M S , Snntech, Chengcefine and other brands.

arteriosclerotic cuff

A&D ambulatory blood pressure cuff

Snntech ambulatory blood pressure cuff

wathet blue ambulatory blood pressure cuff

yellow ambulatory blood pressure cuff

Purple-red ambulatory blood pressure cuff

Compatible A&D ambulatory blood pressure cuff

Compatible Welchallyn ambulatory blood pressure cuff

Compatible Snntech treadmill exercise testing blood pressure cuff

ECG Machine Accessories

Provide electrocardiogram machine accessories for different brands. Mindray, GE, Philips, Edan, Nihon Kohden, Kenz, Cardico, Biocare and other brands.

GE ECG
cable

Biocare ECG
cable

Fukuda ECG
cable

Nihon Kohden

Defibrillation Electrode

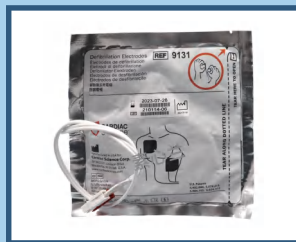

Provide various brands of defibrillation electrodes.Philips,Zoll,Mindray, Medtronic,Schiller,Powerheart,Primedic,etc.

Philips defibrillation electrode M3713A

Philips defibrillation electrode M5071A

Powerheart defibrillation electrode 9131

Mindray defibrillation electrode MR60

Medtronic defibrillation electrode 11996000091

Zoll defibrillation electrode 8900-0801-01

Nihon Kohden defibrillation electrode H324B

Primedic defibrillation electrode Save Pads

M&B defibrillation electrode EDC-1035

Defibrillation battery

Provide various brands of medical batteries:Mindray,GE,Philips,Stephen, Nihon Kohden,Medtronic,Primedic,Powerheart,etc.

Zoll defibrillation battery 8019-0535-01

Primedic defibrillation battery M290

Nihon Kohden Primedic NKPB-28271K

Medtronic defibrillation battery 3202176-009

Philips defibrillation battery M5070A

Powerheart defibrillation battery 9146-302

Mindray defibrillation battery LM34S002A

Mindray defibrillation battery LJ34I001A

M&B defibrillation battery CR123A-4x2

Defibrillation Accessories

Provide various brands of defibrillation accessories. Philips, Nihon Kohden, Zoll, Phicon, Mindray, Primedic.

LIFEPAK Physio Control
