About the Company

OLIT VAPES is a sub-brand of Kanger Technology Co., Ltd., with headquarters in Shenzhen, China—a leader in the electronic cigarette industry. With over 3,000 employees, including 150 R&D engineers, and two large production facilities spanning 50,000 square meters, Kangertech is among the world's biggest electronic cigarette manufacturers.

Our journey started with a dream to create a brand that truly satisfies consumers. We are driven by the pursuit of pure taste and fresh flavors, striking the right balance. Whether it's a moment of joy or a special gesture, OLIT aims to be your reliable companion in life.

Factory

Established in 2007, Shenzhen Kanger Technology Co., Ltd. is a vanguard in the e-cigarette industry. Our commitment to excellence is reflected in a robust quality management system and advanced R&D capabilities, resulting in 100+ patents globally.

Recent highlights include iconic e-cigarette models: Subox Mini, Evod, Ibar, Vbar, Itea, and Timi. Beyond our brand, we offer premium OEM and ODM services. Spanning 50,000 sq. meters in Shenzhen and Dongguan, our production prowess yields 15 million cartridges/batteries and 1 million disposable vaporizers monthly. Our agile R&D and production have forged lasting partnerships, cementing our status as an esteemed industry leader.

Certification

All OLIT products have received various authoritative industry certifications including CE, CB, Rosh, FCC, MSDS and others to protect the health and interests of our consumers and partners.

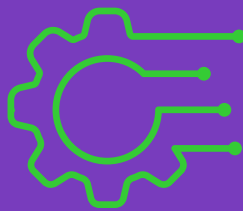

R&D Capabilities

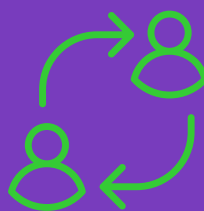

If you want to custom vape, for your brand, then Kanger will be your best choice.

We are committed to providing our customers with high quality products and services to meet the ever-changing market demand.

About the Team

OLIT's core strength lies in its highly skilled international team, drawn from diverse industries. This talented workforce drives OLIT's brand recognition globally across various markets. With over 1500 employees, Kanger Tech boasts a top R&D team of 160+ experts from prestigious universities, covering mechanical and automation engineering, electronics, AI, software engineering, and technical management. Guided by principles of innovation, excellence, care, and craftsmanship, this team consistently delivers exceptional products and services. Their efforts have resulted in 200 patents across various categories, including design, invention, and utility models.

KangerTech not only has extensive and in-depth cooperations with domestic mainstream brands, like RELX, Yooz, Snow Plus, LAMI, etc but also has a long-term partnership with global tobacco giants Altria, US TPB, EAS, Gippro and so on. Our distributors are all over the world.

We are expanding our horizons every day

Brand Story

OLIT, we're not just a vape - we're a lifestyle choice. Say goodbye to the limitations of traditional smoking and embrace the limitless possibilities of OLIT Vape.

At OLIT Vape, we take pride in our commitment to providing different solutions for our vape enthusiasts. Our extensive range includes various flavors, designs, and nicotine levels to cater to the diverse needs and preferences of our customers. We understand that everyone's journey towards a smoke-free lifestyle is unique, and we are here to support you every step of the way.

With OLIT Vape, you have the freedom to choose flavors and designs and nicotine levels that perfectly reflect your unique lifestyle and preferences. Whether you prefer bold and vibrant flavors or subtle and smooth tones, OLIT Vape offers a variety of options to satisfy your vape cravings.

Olit IP

Now, let's talk about our beloved mascot, the one and only - our cool CAT. Just like our brand, OLIT CAT stands apart from the crowd, with an attitude of confidence, style and self-love. Known for its independent nature, OLIT CAT represents the freedom and individuality that we promote through our products.

Welcome to the world of OLIT Vape, where flavors, designs, and choices know no bounds. With OLIT Vape, vaping isn't just a habit; it's an affirmation of self-love and self-expression. Breathe freedom, release limitations. Welcome to a realm where possibilities in flavors, designs, and choices are limitless.

OLIT Vape: where individuality finds its home.

Vision

ELEVATING VAPING, ENRICHING LIVES

At OLIT VAPES, our vision is to redefine vaping as a journey of elevated experiences. We aim to empower individuals by offering flavors that resonate with emotions, creating connections and moments worth cherishing. Through innovation, authenticity, and a commitment to well-being, we aspire to enrich lives and inspire positive transformations.

Mission

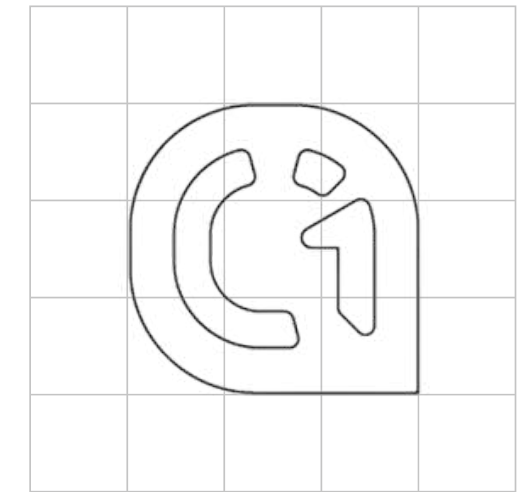

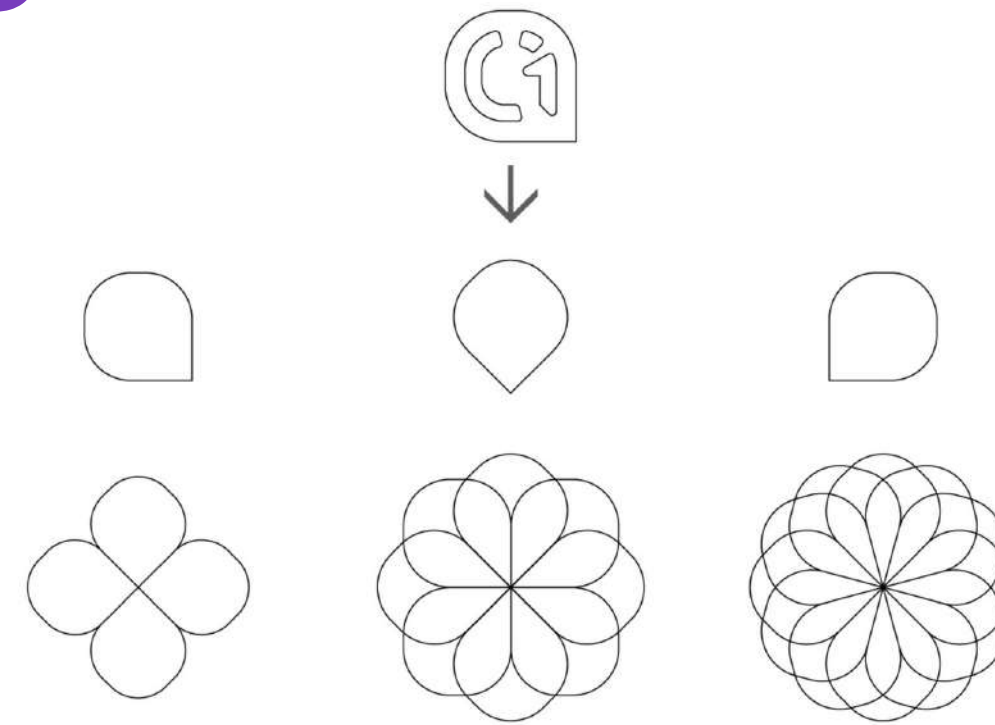

HEALTHIER VAPING, POSITIVE CHANGE

Our mission at OLIT VAPES is clear: we make vapes that help people quit smoking and prioritize well-being. Our products provide satisfaction without the health risks of cigarettes. Through innovation and authenticity, we aim to inspire positive transformations, encouraging individuals to choose a healthier path while enjoying flavorful experiences.

Main Logo Elements

In our logo, you'll spot a leaf within a circular kaleidoscope design. Just as a kaleidoscope offers ever-changing patterns, OLIT thrives on introducing new ideas for vape styles and flavors. The symmetry and harmony in the kaleidoscope patterns reflect our goal of providing a well-balanced experience. Likewise, in various cultures globally, kaleidoscopes aid in meditation and self-reflection. Similarly, OLIT vapes inspire creativity and a sense of tranquility, much like finding your calm.
