In 1954, Shri. D. R. Pandurang Setty found himself deeply moved and inspired by the wonderful world of Nature, its beauty and fragrances and so he set out to create a world of his own.

A world of fragrances!

His instinct, vision and sense of aesthetics enabled him to bring out exclusive and exotic perfumes, incenses and scents. He wanted to share his joy of creation with the world. This dream was fulfilled with the Incorporation of M/s Padma Perfumery Works, in Bangalore, the heart of the Agarbatti Manufacturing Industries in India.

As they say, the joy of creation knows no bounds!

For over six decades in the business now, the company has set standards in excellence in quality, credibility and above all it's commitment towards customer satisfaction. Its growth & popularity further consolidates the bond with its customer.

With the passage of time, the mast of leadership was passed on to his sons Mr. Srinivas and Mr. Rajesh, both able, efficient and driven by their father's primary aim towards creating and bringing out quality products for their customers. With their fine abilities and marketing acumen and nonetheless the able guidance and blessings of their father Mr. Srinivas and Mr. Rajesh took the Company to new heights.

Niche Products:

'Incense sticks' is a consumer product used extensively both in India and abroad. The choice of a fragrance changes with every region and the tastes of the local people. Our Core Strength has been our ability to manufacture these niche fragrances and cater to the needs & likes of people arising from diverse ethnic and cultural backdrops.

India is known for its ancient traditions, customs and rich heritage. Its diversity and grandeur are simply awe-inspiring. It is a storehouse of numerous and varied flavours in herbs and spices. At Padma Perfumery Works, we work hand in glove with modernization, not forgetting the great traditional values. Ours has been a sincere and earnest effort towards consistently providing our customers with the finest and the best there is in the world of fragrances.

Exporting:

The company has its presence in over 15 countries like Mauritius, Colombo, Singapore, South Africa, U.S.A. England & many more.

We strive to innovate and continue with our tradition of excellence.
