Quality is Our Trademark

Quality is not just a standard; it's a promise. We take pride in sourcing spices of the highest caliber ensuring they are cultivated, harvested, and processed with the utmost care. Our commitment to quality is unwavering, and it's the reason why chefs and food enthusiasts trust Purple Tradestar.

Sustainable Sourcing

We recognize the importance of sustainable practices in the spice industry. Our commitment extends to working with farmers and suppliers who prioritize responsible farming methods, biodiversity conservation, and fair labor practices. It's our way of ensuring that the earth continues to yield its aromatic treasures for generations to come.

Ethical Excellence

Beyond quality and sustainability, Purple Tradestar values ethical sourcing. We maintain strong relationships with our suppliers, ensuring fair compensation and mutually beneficial partnerships. It's our way of contributing to the well-being of the communities that nurture our spices.

Mango Pulp

In the world of international trade, Purple Tradestar emerges as a beacon of excellence when it comes to exporting the luscious flavors of Totapuri and Alphonso mango pulp. Our journey is a celebration of nature's sweetness, a journey that brings the richness of Indian mangoes to discerning palates worldwide.

The Mango Marvel

Mangoes are often referred to as the "King of Fruits" in India, and with good reason. They are cherished for their succulent pulp, vibrant colors, and exquisite flavors. At Purple Tradestar, we've harnessed the essence of two iconic mango varieties - Totapuri and Alphonso - and turned them into the purest, most delectable mango pulp you can find.

Totapuri Mango

Totapuri mangoes, known for their tangy-sweet flavor and unique shape, are a tropical delight. Our Totapuri mango pulp captures the essence of these mangoes perfectly. The pulp is carefully processed to preserve its natural tanginess, making it a versatile ingredient in both sweet and savory dishes. From chutneys to beverages, our Totapuri mango pulp adds a burst of tropical bliss to your creations.

Alphonso Mango

When it comes to mangoes, Alphonso mangoes are the gold standard. They are revered for their unparalleled sweetness, aroma, and creamy texture. Our Alphonso mango pulp is the epitome of luxury in a can. It encapsulates the velvety richness of Alphonso mangoes, making it the preferred choice for desserts, ice creams, and beverages that demand nothing but the best.

Ghee & Milk Products

Purple Tradestar embarked on its journey with a mission to share the centuries-old Indian tradition of crafting pure, golden ghee and preserving the essence of milk in convenient powder form with the world. What began as a vision has now become a reality, as we export these quintessential dairy products to diverse corners of the globe.

Indian Natural Ghee

Indian Natural Ghee, often referred to as "liquid gold," is not just a dairy product; it's a symbol of tradition, purity, and culinary delight. Our ghee is meticulously handcrafted from the finest quality butter, churned with love and precision.

Milk Powder

Milk Powder, on the other hand, represents versatility and convenience. It's the cornerstone of many recipes, from baking to cooking, and a staple in the food and beverage industry. Purple Tradestar's Milk Powder is made from fresh, pure milk, retaining all its nutritional benefits and creamy goodness. Whether you're a chef, a food manufacturer, or a household, our milk powder adds richness and creaminess to your creations.

Indian Cheese

Our cheese selection is a testament to India's diverse culinary heritage. From the creamy richness of Paneer to the tangy allure of Amul cheese and the earthy complexity of aged Indian cheddar, our portfolio is designed to cater to a spectrum of tastes and culinary creations.

Cheese, Butter & Milk Products

In the world of dairy exports, one name shines bright - Purple Trade Star. This exceptional company has established itself as a key player in the global market, specializing in the export of premium cheese, butter, and milk products.

Cheese

From velvety soft bries to sharp cheddars, from crumbly feta to the ever-popular mozzarella, Purple Trade Star offers an exquisite range of cheeses sourced from renowned dairies. These cheeses cater to a spectrum of tastes, from mild and creamy to boldly aged and flavored.

Butter

Their butter collection features rich, golden goodness that adds the perfect finishing touch to culinary creations. Whether it's premium cultured butter or salted, unsalted, or flavored options, Purple Trade Star ensures each product delivers exceptional taste and texture. Our butter collection features an array of options that cater to varying culinary needs.

Whether you're looking for rich, cultured butter to elevate your pastries or spreadable, flavored butters to complement your morning toast, Purple Trade Star delivers the epitome of buttery goodness.

Milk Products

Purple Trade Star also exports various milk-based products, such as high-quality milk powder and condensed milk. These versatile products find applications in various food and beverage industries, guaranteeing a fresh and consistent source of dairy goodness.

Hatching & Table Eggs

Eggs have been a staple in human diets for centuries, celebrated for their nutritional value and culinary versatility. At Purple Tradestar, we recognize that eggs are not just commodities; they are the embodiment of life and nourishment. Our commitment is to deliver the finest table eggs and hatching eggs, each bearing the promise of quality and care.

Table Eggs: A Feast for All Occasions

Table eggs are the foundation of countless recipes, from breakfast classics to gourmet dishes. Purple Tradestar's table eggs are sourced from trusted farms, where hens are raised in comfortable and humane conditions. The result is eggs that are not only delicious but also rich in essential nutrients, including high-quality proteins, vitamins, and minerals.

Hatching Eggs: Fostering New Beginnings

Hatching eggs hold the promise of new life. Our hatching eggs are meticulously selected for their genetic traits, health, and vitality. We understand the importance of each hatching egg, as it plays a crucial role in the growth and development of future poultry. Our commitment to responsible breeding practices ensures that every hatching egg is of the highest quality.

Quality Assurance: Our Trademark

At Purple Tradestar, quality isn't just a benchmark; it's our trademark. We adhere to stringent quality control measures at every stage of production, from sourcing and handling to packaging and delivery.

Meat & Fish

Meat and fish have long been celebrated as some of the finest ingredients in global cuisines. At Purple Tradestar, we understand that these ingredients are more than just proteins; they are the embodiment of culture, tradition, and exquisite flavors. Our mission is to export the finest meat and fish, each a testament to quality and care.

Meat: A Symphony of Savory Delights

Our meat offerings encompass a wide range of options, from succulent cuts of beef and tender lamb to the delicate flavors of poultry. Purple Tradestar's meat is sourced from trusted suppliers who adhere to rigorous standards of animal welfare and sustainable farming practices. The result is meat that is not only delicious but also ethically sourced and nutritious.

Fish: From Pristine Waters to Your Plate

Fish is a culinary delight cherished for its delicate flavors and versatility. Our fish is harvested from pristine aquatic environments and delivered to your table with its freshness and nutritional value intact. Purple Tradestar's commitment to responsible fishing practices ensures that our fish is not only delectable but also environmentally sustainable.

Quality Above All

Quality is not just a commitment; it's our creed. We feel an overwhelming sense of gratification in adhering to strict quality control measures at every stage of production, ensuring that our meat and fish meet the highest international standards. Our dedication to excellence guarantees that every cut of meat and every fish fillet is a testament to our commitment to quality.

Fresh, Dried and Powdered Ginger

Ginger is more than just a spice; it's a culinary and medicinal marvel. At Purple Tradestar, we understand that ginger is a potent ingredient that transcends borders. Our mission is to export the finest ginger, in its various forms, each carrying the promise of quality and care. We also export **EU cêrtified** Ginger.

Fresh Ginger: Nature's Zest Preserved

Our fresh ginger is sourced from trusted growers in regions renowned for producing the finest ginger. These roots are carefully harvested to capture their freshness and pungency. Purple Tradestar's fresh ginger adds a burst of zest to culinary creations, from savory dishes to beverages and desserts.

Dried Ginger: Concentrated Flavor and Aroma

Drying ginger intensifies its flavor and aroma, making it a versatile addition to both sweet and savory dishes. Our dried ginger is meticulously prepared to retain its natural spiciness and fragrance. It's a favorite among bakers, spice blenders, and chefs looking to infuse their dishes with a touch of warmth and depth.

Powdered Ginger: Convenience and Flavor Fusion

Powdered ginger is a convenient and potent way to incorporate the essence of ginger into recipes. Purple Tradestar's powdered ginger is finely ground to ensure consistent quality and flavor. It's a must-have for spice blends, marinades, and culinary creations that demand precision in taste.

Leather Goods

At Purple Tradestar, we understand that leather is not just a material; it's an expression of individuality and style. Our collection of leather goods is meticulously curated to encompass a diverse range of tastes and preferences. Each product is a masterpiece, embodying the skill and passion of artisans who transform raw leather into works of art that stand the test of time.
