

LEGA Sourcing Ethics & Assurance

Proactive Leading Garment Buying & Exporter
A New Trend of Style & Fashion

About us

We consider ourselves as a professional agency of Garment Sourcing from Bangladesh. We believe that the business we are in requires, an innovative and efficient approach of garment sourcing to meet the apparel industry target of Cost, Quality and Lead Time. In the Global second largest apparel producing country Bangladesh, we are fast growing and providing outstanding garment sourcing solution to our International Garments Buyers: Fashion Brand Retailers, Wholesalers, Distributors. Our role as a Garment Buying House in Bangladesh is to represent our Buyers in the first place to the Local Suppliers and Manufacturers. Since the nature of the Ready Made Garments industry in Bangladesh is almost based on the cost of manufacture, we as well represent the Local Manufacturers to our Buyers.

Vision

E & A Sourcing is leading to be recognised for its commitment to quality management, cost management and ensuring product on time delivery.

OUR GOAL

Perfection of production

OUR VALUES

Quality Assurance. Proactive Solution

OUR STRENGTH

Professional on every step, personalized service, attention to detail, time management, innovation in design and competitive pricing. Worldwide!

PRODUCTION

Our operations cover Bangladesh (Dhaka, Gazipur, Ashulia, Savar). Working relationships with part of European, USA, Brazil customers provide a comprehensive sourcing base covering various product categories with multiple price / quality / delivery options.

Testing & Quality

We ensure testing parameters are met and meet AQL advised by buyer varying on product specifications.

Our service

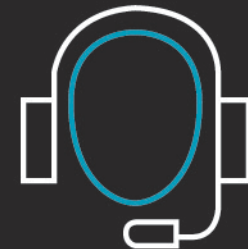

Service

We are professional Garment Buying House providing Garment Sourcing, Quality Control and Inspection Services for established Buyers all over the world.

Supplier Management

E&A Sourcing is independent, collaborative and neutral, working with Buyers and suppliers to create solutions and processes that enable efficient procurement activities.

Supplier Buying Team

Build Concept to Customer timeline for spring/summer and autumn/winter development and advise best time and frequency of travel.
