

LITTLE ME APPARELS

## About True Great Value-

- We are the high fashion manufacturer of ready made Knitted garments.
- We provide all types of Knitted garments for men's, ladies & children wear products such as T-shirt, Track pant, Pajama set, shorts, shirts ,tops, bottoms , Jacket etc.
- We bring with us 6 plus years of garment manufacturing experience and we commenced our operations during the year 2014.

# Our Services

- Sales Support

We provide resources to help customers with fabric and color trends, enhancements in product design, and new technology inputs, so that they can do forward thinking in planning their seasons ahead of schedule.

- Technical Development

We are equipped with Gerber software and workstations . The technical development department has been trained in pattern making and grading on Gerber for over 10years, and has 30 years experience in multi product patterning.

- Sampling & Sales Samples

We have an independent sampling department with latest sewing machines and special support machines, which can cater to both prototypes and salesman samples. This department works closely with sales and merchandising and ensures speedy sampling turnaround time.

# Our Services

- Fabric Sourcing

We have a dedicated fabric sourcing team with a wide network for fabrics and accessories sourcing.

- Production Planning

Our team understands that planning is the key to successful execution. We have a dedicated team that are supported new software. This helps the PPC team ensure that each department is functioning in line with the established process roadmap, to ensure on time delivery.

- Quality Assurance

Our team follows and implements AQL 2.5 systems for all our shipments and finished goods. We have an additional enhanced closed loop control systems implemented in our manufacturing lines that ensures that quality manufacturing processes are followed at every link in the chain, ensuring minimal rework and repair.
