According to Ayurveda, the scalp is composed of different energy relieving points called 'marmas'. Oiling the hair and scalp acts as rejuvenation exercise and removes any excess faulty accumulations (dosha) in the head region, releasing stress and thereby restoring the balance — opines Ayurveda herbalists.

**Rupakesha Adivashi Herbal hair oil :::** is spiritually energized hair oil that protects and smooths your hair's cell membrane complex, repairs hair shaft, boosts hair growth in balding patches, reduces frizzy & split-ends, and adds more strength & length.

# THE UTOPIA

"There are no secrets to success.  
It is the result of preparation, hard work and  
learning from failure."

Hair loss is a common concern for many men and women. There are many reasons your hair may fall out, from genetics and vitamin deficiencies, to hormone changes. Some medical conditions, such as thyroid disease, may also cause hair to thin or fall out .

Talk to your doctor before adding herbs to your daily routine, especially if your hair loss is caused by a medical condition.

There is no magic bullet for growing hair, but research has shown some herbs may slow hair loss and promote new hair growth.

## WHO CAN USE ?

### **Rupakesha Adivasi Herbal Hair Oil**
