

QJ700 WIFI 360° Panoramic Gooseneck Camera

Feature

- 360° panoramic WIFI gooseneck remote camera
- Full glass ultra-high definition 360° panoramic lens
- Snake tube can be shaped, mobile, fixed and installed in various ways
- 1080P HD resolution
- Support alarm push, voice two-way intercom, cloud storage
- Support motion detection, voice monitoring, area detection
- Support viewing on Android , IOS , Ipad
- Using large-capacity 2000mAh built-in polymer lithium battery, it can be used for about 5 hours
- Support 256G TF card

SG601 HD WIFI GOOSENECK CAMERA

Feature

- Mini remote control Wifi camera
- Enhanced signal antenna
- Snake tube can be shaped,multi-mode installation movable and fixed
- 1080P/720P HD
- Motion detection and voice monitoring available
- Support Android/Apple Mobile and Ipad
- 2pcs 6400mAH built-in 18650 battery with 24 hours capacity
- Support 128G TF card

850A Body Camera

Feature

- Mini wearable camera(Direct Recording)
- Innovative back splint design
- 360 degree rotation design
- 1920*1080P High Resolution
- 4pcs infrared lamp, non luminous night vision
- Built in 800mAh battery,working time about 6 hours
- Optional 32GB/16GB micro card
