COMPANY PROFILE

Our Slogan

From the Youth for a Golden Indonesia

Our Mission

To lead commodity exports, driving inclusive economic growth in Indonesia, while empowering local farmers and SMEs in the value chain.

Our Vision

We empower local farmers and SMEs for inclusive economic growth through sustainable practices and global market access. Introducing Indonesia's top products worldwide, we prioritize quality and reliability while promoting social responsibility and sustainability.

Our Goals

Our goal: increase the productivity and income of local farmers through sustainable agricultural activities, expand the global market for Indonesian SMEs, and introduce superior Indonesian products to international markets. We are also committed to providing high-quality products, encouraging corporate social responsibility and promoting sustainable business practices.

COMPANY PRODUCT

Vegetables

Our products, including potatoes, cabbage and petai, are taken from the best locations in Indonesia such as Jurang Kualu, Bromo and Probolinggo. All our products are of the best quality and guaranteed fresh.

Briquette

Briket kami diproduksi melalui kerjasama dengan pabrik berpengalaman untuk memastikan kualitas terbaik dan konsistensi yang tinggi.

Spices

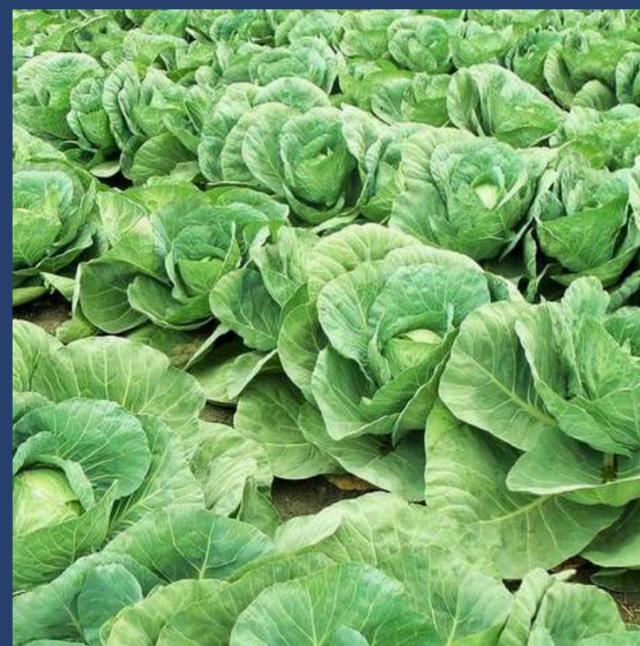

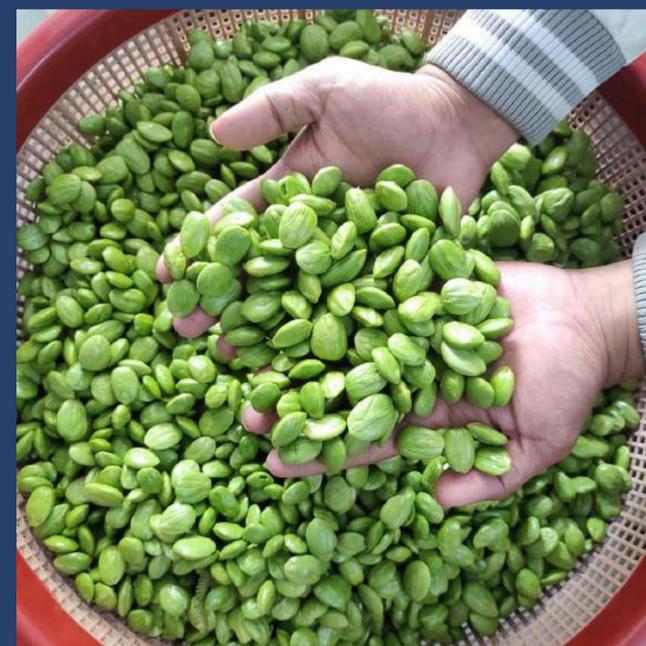

Our spices are obtained through collaboration with farmers from all over Indonesia, from the islands of Java, Sumatra, to the islands of NTT and NTB. This collaboration ensures that we get the best quality spices from various regions in Indonesia.
