

PREMIUM AGRICULTURAL PRODUCTS

PT Pangeran Majapahit Nusantara

Introduction:

Welcome to our catalog featuring premium agricultural products sourced from the fertile regions of Probolinggo and Jurang Kualu in Indonesia. Our commitment to quality, sustainability, and excellence drives us to deliver the finest commodities to meet your culinary needs.

Potatoes

Experience the rich flavor and versatility of our premium potatoes sourced directly from the fertile lands of Probolinggo and Jurang Kuali. Our potatoes are meticulously grown and harvested by local farmers, ensuring optimal taste and texture for your culinary creations.

Packaging: Available in various packaging options to suit your requirements, including bulk crates, bags, and customized packaging solutions.

Cabbage

Indulge in the crisp freshness and vibrant color of our premium cabbage varieties, cultivated with care in the regions of Probolinggo and Jurang Kualu. Handpicked by dedicated farmers, our cabbage boasts exceptional quality and flavor, perfect for salads, stir-fries, and more.

Packaging: Available in bulk crates, bags, and customizable packaging options to ensure freshness and convenience.

Stink Beans (Petai)

Fresh & Frozen Stink Beans

Discover the unique taste and aroma of our premium stink beans sourced from the lush landscapes of Probolinggo and Jurang Kualu. Hand-selected by experienced collectors and farmers, our stink beans are known for their freshness and distinctive flavor, adding a savory twist to your dishes.

Available in vacuum-sealed bags, frozen packs, and jars to preserve freshness and flavor.
