

PREMIUM SPICES PRODUCTS

PT Pangeran Majapahit Nusantara

Introduction:

Welcome to our catalog featuring premium agricultural products sourced from the rich lands of Indonesia. Our commitment to quality, sustainability, and excellence drives us to deliver the finest commodities to meet your culinary needs.

Cloves

Experience the intense aroma and flavor of our premium cloves sourced from the lush plantations of Indonesia. Handpicked by skilled farmers, our cloves are renowned for their rich taste and potent fragrance, perfect for enhancing both sweet and savory dishes.

Packaging: Available in whole cloves and ground form, packaged in airtight jars and bags to preserve freshness.

Vanilla

Indulge in the exquisite aroma and flavor of our premium vanilla sourced from the tropical regions of Indonesia. Our vanilla beans are carefully harvested and cured to perfection, resulting in a luxurious and aromatic spice that elevates desserts, beverages, and savory dishes alike.

Packaging: Available in whole vanilla beans and extract form, packaged in sealed jars and bottles to retain freshness and flavor.

Turmeric

Discover the vibrant color and earthy flavor of our premium turmeric sourced from Indonesia's fertile soil. Our turmeric roots are cultivated with care by local farmers, ensuring optimal taste and nutritional value. Known for its anti-inflammatory properties and distinctive flavor, turmeric is a versatile spice that adds depth and complexity to a wide range of dishes.

Packaging: Available in fresh roots, packaged in sealed bags and containers to preserve freshness and potency.

Ginger

Embrace the zesty flavor and warming aroma of our premium ginger sourced from Indonesia's pristine landscapes. Hand-selected by experienced farmers, our ginger roots are prized for their freshness and bold flavor profile, making them a staple ingredient in cuisines around the world. Whether used in teas, curries, stir-fries, or baked goods, our ginger adds a delicious kick to any recipe.

Packaging: Available in fresh roots, packaged in sealed bags and containers to ensure maximum flavor and aroma.
