COMPANY PROFILE

I would like to introduce our company **NILEESH IMPEX** sister concern company of *Ronik Metal and Alloys & Ronik Copper (Established in 2004)*. We began the Journey with Mr Nilesh Morakhia who laid the foundations of the company that was to become a leading Exporter & Supplier in **Copper, Aluminium & Brass Industry**.

Nileesh Impex is today a multi-product company with world class products and services encompassing the product spectrum of Aluminum, Copper and brass specialties business. We are leading Exporter and Supplier of variety of product some of them includes Aluminium - Plate, Extrusions Bar & Rod, Sheets, Pipes & Sections ; Copper-Bars, Rods, Strip, Tube/Pipe, Forging Block, Wire / Section; Brass - Bars, Rods, Strip, and many more. We are an authorised distributor of Hindalco Industries Ltd.

We consolidate all Aluminium, Copper and Brass related operation-Exports, Processing and Supply chain management under one roof. To cater our customer needs we provide **customisation as per drawing**

Productive work environment, Quality product, Corporate Governance, Healthy business ethics, continuous improvement and dynamic employee engagement have been the key to our excellence as an Industry Leader.

QUALITY

Nileesh Impex is ISO 9001 Certified company, the brand value of company lies in its raw material reliability , high productivity and quality control.

All product that are supplied to our customer are of precise dimension, high surface quality and with optimum straightness. We are able to maintain this quality standard due to our sound infrastructure, Inventory management, skilled personnel and continuous reviewing.

OUR SERVICE

Financial

- Warehousing
- Inventory Management

Value Added Trading

- Sourcing
- Delivery
- Execution
- Evaluation

Supply chain Management

- Packaging
- Logistics
- Imports & Exports

INDUSTRY WE SERVE

- Aerospace
- Defence
- Automobile
- Construction
- Vessel Building
- Machinery
- Electronics
- Transformer
- Spacecraft
- Transportation
- Energy & Power
- Automotive
- Pharmaceutical & Packaging
