Royal Farme

Royal Farm is an Egyptian company specialized in the production and preparation of exported agricultural products. we have successful global distribution experience; Royal Farm follows cutting-edge agricultural systems to ensure the finest product quality. The company utilizes the best European programs for infection protection, and immunity against diseases, as well as for product preparation, whether fresh or frozen. All preparation elements are Spanish-made and meet European and global specifications. Regarding the previous, continuous training is applied to all workers in all factories and packaging stations, guaranteeing the finest global specifications

Whether plastic or carton, we ensure that our packaging materials are recyclable and environmentally friendly. Our **location in Budr-Al Behira, Egypt**, in an area known as the fortress of agriculture in Egypt and the Middle East, where farms and factories can be found in this huge agricultural stronghold, is special for being close to all the important Egyptian points. We offer a high-quality product at a reasonable price, and all our clients are **welcome to visit us at our farms and factories**
