Awaye Merchandise Limited is a Nigerian-based company specializing in sourcing, distribution, and supply chain management of agriculture produce and commodities. Since November 2020, we have been dedicated to providing high quality products and services to our clients. Our operations initially focused on servicing reputable companies and Feedmills such as Olam Branches in Ibadan, Ilorin, and Jos, as well as Tamtom Agric Feed, Kamel Agric, His Grace Feedmill, Top Success feed, and Fortune Mills to mention a few.

Our company acts as an aggregator and primary processor in the agriculture value chain. It bridges the gap between the primary producer and the secondary processor, thus ensuring that farmers have access to an open market in the higher end of the value chain and that there is a steady supply of high quality commodities to secondary processors and exports clientele in the lower end of the chain. Our roles as an intermediary enables us to add more values to agricultural products and commodities.

OUR PROWESS

With our extensive networks of crop cultivations farmers and producers, we are able to source the finest quality products that meet international standards. Our commitment to quality control ensures that our customers receive produces that are safe, authentic, and of the highest quality.

As a licensed exporter, we comply with all necessary regulations and certifications required for the exportation of agricultural produce in Nigeria. This guarantees that our products meet the required standards and are eligible for export to various international markets.

05
