WHO WE ARE?

We specialize in branding and customizing T-shirts in Tirupur, India, with a focus on low minimum order quantities (MOQ). Our in-house white-label manufacturing ensures quality and customer satisfaction, extending to fabric manufacturing for startups and emerging labels.

Since 2018, we've excelled in crafting high-quality knitted garments, managing every aspect from yarn selection to finishing. Situated in Tirupur, the heart of South India's garment industry, we're committed to excellence and innovation.

Join us to experience comfort and style redefined, tailored to fashion-forward individuals and businesses seeking premium, eco-conscious apparel solutions.

OUR MISSION :

Empower individuals and businesses with the confidence to express their unique style by providing high-quality, eco-conscious T-shirts. Through our cutting-edge facilities, personalized services, and low MOQ manufacturing, we aim to be the go-to choice for those seeking exceptional, custom apparel solutions. Evoknits Creations is dedicated to making your fashion dreams a reality.

OUR VALUES :

Embrace a commitment to sustainable practices and eco-friendly materials. At Evoknits Creations, we prioritize environmental responsibility, ensuring our fabrics not only elevate style but also contribute to a healthier planet. Join us in the journey towards fashion with a conscience.

OUR VISION :

To redefine the landscape of fashion by consistently innovating and delivering unparalleled comfort and style through our meticulously crafted garments. We envision Evoknits Creations as a global symbol of quality, creativity, and sustainability in the textile industry.
