# Engine oil Heavy Vehicle

## Products Description

GATEWAY AWS Series are high performance hydraulic oil. GATEWAY AWS Series manufactured from premium Base oils and is fortified with an additive system to provide a product which insures maximum Performance in all aspects of hydraulic service. GATEWAY AWS Series provide excellent anti-wear agents Keep wear rates low on critical pump parts and rust and corrosion problems are eliminated by the rust Inhibitor. A foam suppression additive eliminates concerns over operating problem due to foam Buildup in the hydraulic storage tank even in high circulation rate systems with low residence times.

## Features and Benefits

- Good anti-wear performance • Protect against rust and corrosion
- Maintain excellent control of oil consumption
- Foam inhibition reduces the danger of pump failure due to cavitation.

## Technical Data Sheet / Meet standard Performance

- U.S. Steel 127,136 • Cincinnati Milacron P-68, P-70 • DIN 51 524 Part 2, Part 3
- Denison HF-0, HF-1, HF-2 • Vickers M-2950-S, I-286-S • AFNOR N FE 48-691
