

ATELIER DES REVES

PRODUCTION PROCESS

Each step in the production process is handled with care quality and craftsmanship!

Fabric Selection

Choosing fabrics that are soft, breathable, and gentle on the skin.

Selecting fabrics that align with your brand's elegant and dreamlike theme (e.g., 100%cotton satin, tulle, lace)

Pattern Making

Creating patterns that allow children to wear and move comfortably.

Adjusting the patterns correctly for different sizes.

Sample Production

Producing samples to test for fit and comfort.

Trying the samples on children, gathering feedback, and making adjustments if necessary.

Finishing and Packaging

Adding final touches to the products (e.g., embroidery, appliqués).

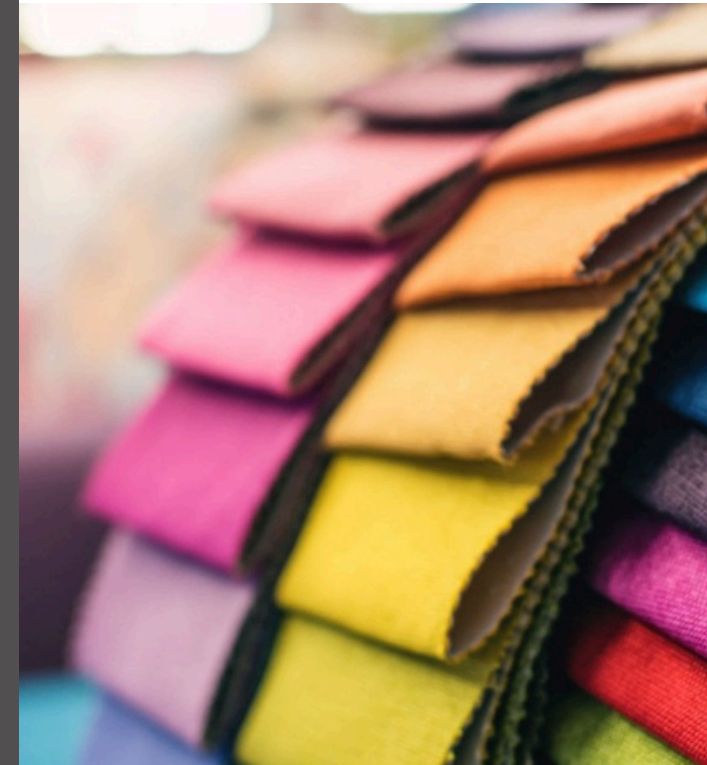

Packaging the products in a way that reflects your brand's elegance and whimsical charm.

Compliance and Safety

Ensuring that all products comply with local and international safety standards.

Properly labeling the products with size, material content, washing instructions, and safety warnings.
