

OGN
TEXTILES

The last 3 years were transformative for the textiles and garments business both globally and domestically.

We at OGN textiles focused on top notch quality, competitive prices and continuous innovations since the start.

Recently we were able to increase our reach to new markets and new clients in USA, Europe and GCC.

Our Customers

SAMSUNG

MANGO

RAVIN'

Knitted Fashion

This range features production that shines thanks to the added value applied to each garment. Indeed a spectrum of addons enrich each garment, and gives it its unique identity.

Drawstrings

Branded Accessories

Appliques

Embroidery

Prints

These, coupled with distinguished fabric development, a well adapted cut and workmanship that demonstrates the beauty of our customers' designs; all such perfections result in a splendid garment to be proud of. The below gallery is an example of such excellence.
