NATURE OF BUSINESS
MANUFACTURER, EXPORTER & SUPPLIER

ADYA GLOBAL CHEM LLP, a pioneering name in the supply and trade of molybdenum compounds, based in Khagaria, Bihar. Mr. Ravishankar Kumar, our company has quickly emerged as a trusted supplier of high-quality chemical products essential for various industrial applications.

Specializing in molybdenum compounds, ADYA GLOBAL CHEM LLP offers a comprehensive range of products including Sodium Molybdate Powder, Ammonium Dimolybdate Powder, Ammonium Hepta Molybdate Powder, Ammonium Tetra Molybdate Powder, Molybdenum Trioxide Powder, and Roasted Molybdenum Concentrate Powder. These products cater to diverse industries such as metallurgy, agriculture, pharmaceuticals, and manufacturing, where molybdenum compounds are crucial for their unique properties and applications.

At ADYA GLOBAL CHEM LLP, we prioritize quality and reliability in every product we deliver. Our commitment to excellence is reflected in our rigorous quality control measures and adherence to industry standards, ensuring that our customers receive products of the highest purity and consistency. We understand the critical role our products play in our customers' processes and operations, and we strive to consistently meet and exceed their expectations.

Beyond our product offerings, ADYA GLOBAL CHEM LLP is distinguished by its customer-centric approach and personalized service. We work closely with each client to understand their specific requirements and provide tailored solutions that best suit their needs. Our team of professionals brings extensive expertise and a dedication to customer satisfaction, ensuring seamless transactions and ongoing support.
