

# Global Handicraft Exports

Global Handicraft Exports is a leading provider of exquisite, handcrafted products that seamlessly blend artisan craftsmanship with global reach. Leveraging our dual manufacturing operations in India and China, we offer a diverse portfolio of home decor, garden decor, furniture, and lighting solutions to customers worldwide.

# Dual Manufacturing in India and China

## India Operations

Our India-based manufacturing facilities employ skilled artisans who meticulously handcraft each product using traditional techniques passed down through generations. This allows us to maintain the highest quality standards and preserve the unique cultural heritage of our designs.

## China Operations

In China, we leverage advanced manufacturing technologies to produce larger volumes of our products, ensuring we can meet the growing global demand for our handcrafted goods. Our Chinese facilities adhere to strict quality control measures and sustainable practices to deliver exceptional value to our customers.

# Mission & Vision

At Global Handicraft Exports, our mission is to blend traditional Indian craftsmanship with modern design to create high-quality home decor, garden decor, furniture, and lighting products. We aim to provide our international clients with unique and customizable solutions that reflect cultural diversity while ensuring exceptional quality, sustainability, and competitive pricing through our dual-manufacturing capabilities from India and China.

Our vision at Global Handicraft Exports is to be a leading manufacturer and exporter of handcrafted and innovative decor solutions, recognized for our commitment to quality, craftsmanship, and customer satisfaction. We aspire to connect diverse cultures through our products, enriching homes and spaces worldwide. We are dedicated to fostering sustainable practices and empowering artisans in both India and China, ensuring that every piece we create tells a story of tradition and artistry.
