INKA PEBBLES & TILES 

ABOUT US

We are a distinguished Peruvian company with over 8 years of experience in quarrying, classifying, and globally distributing high-quality pebbles. Our exquisite pebbles have become a sought-after choice for garden decoration, modern exteriors, interior spaces, and architectural finishes. Clients choose us for our exceptional quality, meticulous hand-selection process, and unwavering commitment to customer satisfaction.

At our core, we promote an environmentally conscious and sustainable approach to decoration, with a focus on long-term economic viability. We embrace the latest landscaping trends that highlight the usage of pebbles as a primary design element, including xeriscaping, zen gardens, and low-maintenance landscaping. These trends allow for the recreation of natural vistas while conserving water resources.

Additionally, pebbles have emerged as a compelling architectural trend, being incorporated in expansive fountains, planters, and as exquisite flooring and wall finishes. From captivating fireplace surrounds to stunning shower designs, our diverse range of pebbles offers endless possibilities to elevate any space. Inka Pebbles & Tiles proudly presents an unparalleled selection of premium pebbles, meticulously sourced and curated, with a dedication to superior products and customer satisfaction.

We welcome the opportunity to discuss how our esteemed company can cater to your specific project requirements. Please feel free to reach out to us for further information or to explore the exceptional range of pebbles we offer.

Thank you for considering Inka Pebbles & Tiles as your trusted provider of exquisite pebbles. We look forward to collaborating with you to bring your creative visions to life.

STRATEGIC DISTRIBUTION ALLIANCE

We are pleased to announce our strategic alliance with **Import Export Solutions (IES)**, a comprehensive procurement and sourcing partner based in Deerfield Beach, specializing in assisting businesses across the Caribbean and Florida. IES offers an array of logistic services, including: Material and Product Sourcing, Purchasing Agents, Vehicles and Equipment, US Domestic Transportation, and International Logistics Consulting.

Led by **Dan Frazer**, a seasoned professional with over 15 years of experience in the international shipping industry, IES is set to become our dedicated representative and distributor for the US, particularly in Florida and the Caribbean. This collaboration aims to simplify the process of acquiring pebbles from Inka Pebbles & Tiles. IES will ensure a seamless purchasing experience, offering various transportation options and becoming a central point of reference for our clients.

Through this partnership, we are excited to expand our reach and provide enhanced convenience for our valued customers.

Utility

Our stones are versatile and adaptable to various environments, each possessing unique characteristics that fulfill specific needs. The potential uses for our pebbles are incredibly diverse. Typically, they are employed pragmatically to cover expansive areas, both indoors and outdoors, providing an eye-catching aesthetic while minimizing the need for ongoing maintenance. Additionally, our pebbles are frequently utilized in landscaping projects, adding depth and charm to features such as fountains, artificial rivers, and ponds. Furthermore, they serve as a durable and visually appealing pavement solution for floors, as well as an elegant cladding option for walls.

THINGS TO CONSIDER

Experience the excellence of Inka Pebbles and Tiles by placing your order today! You can easily connect with us through multiple channels. Reach out via email at info@inkapebblesandtiles.com or contact us via WhatsApp at +51 998157724. Stay updated on our latest offerings and inspirations by following us on social media under the name "Inka Pebbles and Tiles."

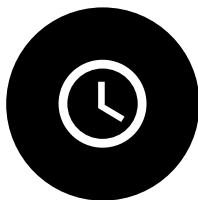

For customers in the US and Caribbean, you can also reach out to our reliable partner and distributor, Import and Export Solutions, at info@importandexportsolutions.com or call Dan Frazer at +1 (954) 214-8337. They also welcome visits to their Deerfield Beach warehouse by appointment.

Don't miss out on the opportunity to transform your projects with our premium products. Reach out to us now, and let our team assist you in bringing your creative visions to life.

N° 01 - Payment Method

Payment for orders outside the US follows an EXW arrangement: a 50% upfront payment is required, and the remaining balance is settled before loading the merchandise into the container. For stock at the Deerfield Beach warehouse with IES, full upfront payment of 100% is applicable, with payment accepted via wire transfer or other methods if required, into a US bank account. Contact us for more information and to discuss your payment preferences. Your satisfaction is our priority as we assist you in realizing your creative projects.

N° 02 - Production Times

Our production timeline for a single container typically spans from 15 to 20 business days. However, for multiple containers, this period could extend to up to 30 days. Additionally, we are pleased to inform you that stock available at the IES warehouse will be ready for immediate pickup at any time, ensuring prompt accessibility.

N° 03 - Transport

We adhere to the Ex Works Incoterm for our exports, enabling our valued clientele to choose their desired logistics and shipping partner conveniently. This approach becomes especially beneficial when coordinating shipments from the Port of Callao for international orders.

Furthermore, in the state of Florida, products can be collected directly from our distributors IES's warehouse in Deerfield Beach. Alternatively, for an additional fee, we are equipped to facilitate local or domestic transportation arrangements. We are committed to ensuring a seamless experience for our customers, no matter their location or logistical requirements.

Should you have any further inquiries or require additional details, please do not hesitate to reach out to us.
