About Us

Who we are

At OverX, we believe in originaive educative and planet-friendly products, so we do innovation. As innovators we are amplifying our brand "The Funny Mind" to manufacture the real toys in India.

Our Mission

Our mission is to inculcate the basic learning in the kids through toys so that when they enter the world of learning, they are well prepared. At the same time, our mission is to make our environment to be safe using planet-friendly products. We make products using wood as it is safe, natural and has longevity.
