

**Since  
2009**

**STANSIL**  
COMPANY LIMITED

FROM TANZANIA FIELDS  
TO GLOBAL TABLES

# Who we are

Stansil Company Limited is a dynamic and forward-thinking company that bridges the gap between Tanzanian farmers and international markets. We are committed to exporting premium agricultural products of the highest standards, ensuring quality, traceability, and sustainability in every deal we engage in.

We offer a comprehensive range of agricultural commodities, with each product sourced from reputable suppliers and certified producers. Our product line is carefully selected to meet international quality standards and customer preferences. With the capacity to supply up to 300 tonnes per order, we are equipped to meet large-scale demands while maintaining efficiency and high-quality standards.

Since  
2009

# Our Background

Founded with a vision to empower Tanzanian farmers and bring the country's rich agricultural products to the global stage, Stansil Company Limited has quickly established itself as a leader in agricultural exports. Over the years, we have built strong relationships with local farmers and expanded our reach to international markets. Our journey is one of passion, commitment, and a deep belief in the potential of Tanzanian agriculture.
