

ANDYSON

KITCHEN SINK PRODUCT

INTELLIGENT KITCHEN SINK·ENJOY QUALITY LIFE

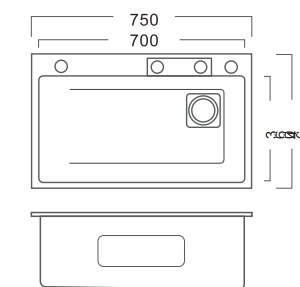

Our company is located in the beautiful hinterland of the Pearl River Delta, Dongfeng Town, Zhongshan City, Guangdong Province. Established on August 10, 2010, we are a professional enterprise that integrates stainless steel kitchen and bathroom sinks.

The company always takes research and development innovation and product quality as the foundation of development, and has a complete product research and development system, quality control system, and production and manufacturing system.

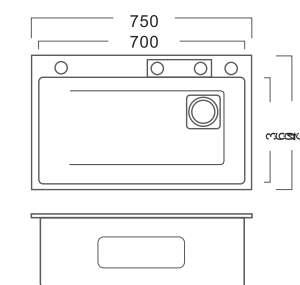

The company always adheres to the principle of "integrity and win-win", insists on putting customers at the center of everything, and adheres to the values of integrity, dedication, unity, and dedication. Beyond oneself, meticulously crafted, committed to manufacturing the world's most ingenious high-end bathroom products.
