CREATE YOUR OWN LEGACY WITH OUR PURE COCONUT OIL

"Introducing COCOFINITY Coconut Oil"

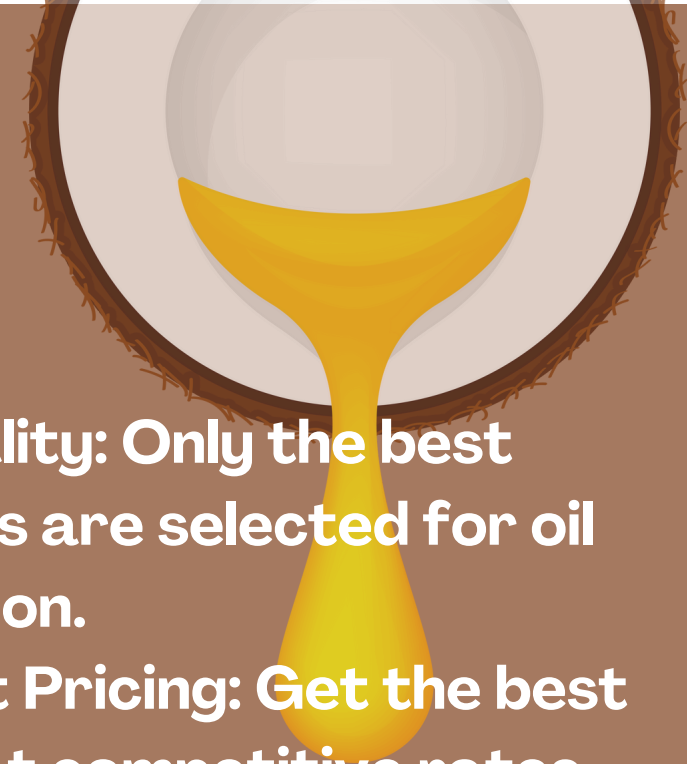

At Aryash Cocopure Exports, we take pride in producing top-quality, export-grade coconut oil, harvested from the finest coconuts in Goa. Our oil is versatile, eco-friendly, and meticulously processed to retain its natural essence, ensuring the highest standards of purity and quality.

As a dedicated exporter, Aryash Cocopure Exports ensures that our coconut oil meets international standards, offering a product that is both premium and sustainable. When you choose Aryash Cocopure Exports, you're not just getting the best of Goa, you're investing in a reliable, global supplier committed to excellence.

"Why Choose COCOFINITY?"

- Cold-pressed to preserve nutrients.
- No additives or preservatives.
- Ideal for culinary, beauty, and medicinal purposes.
- Packaged with care and ready for export worldwide.

- **Top Quality:** Only the best coconuts are selected for oil extraction.
- **Efficient Pricing:** Get the best quality at competitive rates.
- **Naturally Sourced:** Sourced directly from our own coconut groves.
- **Certified and Licensed:** We adhere to all international standards for quality and safety.

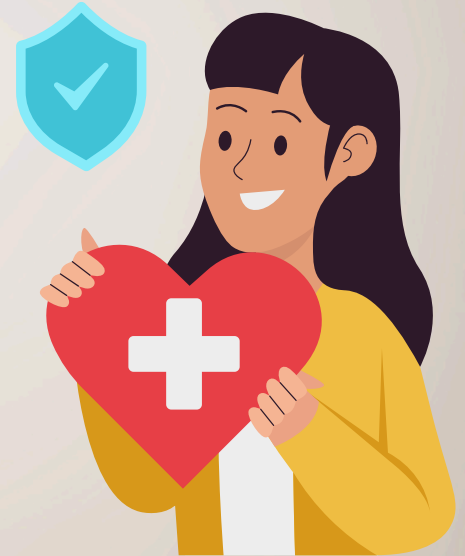

Benifits of Coconut oil

Health Benefits

Boosts Metabolism: Contains medium-chain fatty acids (MCFAs) that are quickly converted into energy.

Supports Heart Health: In moderation, it can increase good cholesterol (HDL) levels.

Aids Digestion: Helps in nutrient absorption and has antimicrobial properties that can improve gut health.

Skin Benefits

Moisturizer: Excellent natural moisturizer that hydrates and softens the skin.

Antibacterial and Anti-inflammatory: Helps treat skin conditions like eczema, psoriasis, and acne.

Soothes Sunburn: Reduces inflammation and promotes healing.

Anti-Aging: Prevents wrinkles and improves skin elasticity.

Hair Benefits:

Prevents Hair Damage: Reduces protein loss in hair and nourishes the scalp.

Promotes Hair Growth: Stimulates hair growth by moisturizing and improving scalp health.

Tames Frizz: Acts as a natural conditioner, making hair smooth and shiny.

Other Benefits:

Oral Health: Used in oil pulling to reduce bacteria, improve gum health, and whiten teeth.

Cooking: Stable at high temperatures, making it ideal for frying and baking.

Healing Properties: Can be used to heal minor cuts and wounds due to its antimicrobial properties.

"Certifications & Licenses"

"We hold all necessary licenses and certifications required for the production and export of high-quality coconut oil."

FSSAI (Food Safety and Standards
Authority of India)
Organic Certification
Export License from the Directorate
General of Foreign Trade (DGFT)
IEC CODE: OJNPS0776K
