AFTER EXTENSIONS HAIR CARE TIPS

- ❖ Use sulphate-free shampoos and conditioners. It will help your hair extensions last longer.
- ❖ If you want ponytails, messy buns, or up-dos wear them loosely.
- ❖ Use a heat protector if you can't go straightening or curling your hair.
- ❖ Condition your hair by standing upright.
- ❖ Never flip your extensions over to a sink or bath. This can cause tangles.
- ❖ When shampooing be sure to keep your hair untangled and uniform. Do not rub or massage your hair.
- ❖ Use a squeezing motion to saturate the hair with tepid water and shampoo.
- ❖ Deep condition your hair once a week with a repair mask. This will keep your Hair nourished.
- ❖ After the installation, do not wash or even wet your hair for a minimum of 48 hours.
- ❖ It is very vital to be patient and gentle while brushing hair extensions when your hair is weak.
- ❖ Using your hair extensions brush, gradually work your way from the tips of the hair up to the roots detangling as you proceed.
- ❖ At night, you should put your hair extensions into a ponytail as it's the most suitable.
- ❖ Style for sleeping with hair extensions as they restrict the movement of the hair enough to keep the bonds from being disturbed too much during the night.
- ❖ Don't backcomb hair extensions. It may lead to damage.
- ❖ Don't use alcohol-containing products. They can damage your hair.
- ❖ Yes, you can swim with hair extensions, however do not allow extensions to soak in water for too long and dry them as soon as you get out of the pool or ocean.
- ❖ Apply 2-3 drops of hair serum daily.
- ❖ Coloring, pressing, smoothing, and curling can be done on the hair.
- ❖ This is a dead hair and does not require oiling.
- ❖ We recommend washing your hair extensions after 10-15 uses.
- ❖ The Silky Wigs hair extensions do not require styling products, but if you do, please be gentle in order to prolong the life of the extensions.
- ❖ You can wear Silky Wigs hair extensions for many years depending on how often you wear them and how well you maintain them. Hence we recommend you to please store this in a clean plastic packet or a satin pouch.
