OUR SELF

Vigneshwara Exports is one of oldest pickle plant located at Tirunelveli, which is 45km from Tuticorin port in the strategic southern tip of peninsular India and our corporate office is

WE ARE

Vigneshwar Exports, is an export company recognized by the Government of India. With its backward integration strategies and 100% export oriented unit status, VIG today proudly marches ahead as the pioneer and leading grower, processor and exporter of the quality agro based products, particularly Pickled Gherkins, Onions, Okra, Babycorn, Jalapenos in India.

AGRI

The meteoric rise of VIG over the years is a result of the collective care doted by a team of committed agriculturists and professionals. Nearly 4,000 farmers in 200 villagers spread across 20 fertile pockets in the southern states of Tamil Nadu, Andhra and Karnataka nurture VIG all year round. VIG systematically carries out daily monitoring, harvesting, purchases ad logistics of produce to guarantee high standards throughout the whole process. Further, VIG has in place, state-of-the-at post-harvest handling systems to ensure careful and expeditions handling of the fruits to ensure maximum freshness, colour and quality.

PLANT & PROCESSING

On arrival of fresh produce are processed in natural vinegar/acetic acid/ brine at our world class vegetable processing plant located at Tirunelveli, Tamil Nadu with a capacity of processing 75 tons vegetables on high speed line. The factory is spread over 8 acres and has fully automated process line, Packing is generally done in 220/240/260 litter HDPE barrels.

QUALITY POLICY

VIG is committed to the operations and maintenance of an efficient quality system planned and developed in conjunction with all management functions. company strives to produce the safest and best quality products. VIG committed to the development manufacture, distribution and sales pickles products. VIG guarantees that the management and all the staff are fully aware of the company's quality to food safety objectives and that is achieved and maintained through ongoing training and development. VIG encourages all staff to contribute in maintaining a successful quality system.
